Re: Standing Rock Sioux Tribe Opposition to Dakota Access Pipeline

The Wiikwemkoong Water Walkers are hosting a "Protectors of The Great Lakes Rally" on October 7, 2016. The location will be Highway 17/Hwy 6 Junction, Espanola Turn Off. The Rally will be held from 1 p.m. – 5 p.m.

We are requesting that you or a designate be available and make Opening Remarks/Media release on supporting Standing Rock North Dakota Pipeline and other pipeline concerns such as Line 5 in the Straits of Mackinac.

Secondly, we are requesting your office to organize a call out to our UOI – Anishinaabek Grand Council Grand Chief Patrick Madahbee and as many interested First Nations or Organizations, especially those located on Manitoulin Island and the North Shore.

Enclosed is a copy of the tentative Agenda.

Respectfully,
