COUNCIL AGENDA ITEM SUBMISSION DEADLINE!!

FRIENDLY REMINDER

To whom it may Concern:

Please be advised that the Council Meeting Agenda Item deadline is the Wednesday prior to the Regular Council Meeting (RCM) at 4:00 p.m. (unless otherwise noted below). Sorry, no exceptions. Any items submitted after the deadline will be placed on the next RCM Agenda/Meeting. RCM's are every 1st and 3rd Monday of each month. Should the RCM fall on a holiday, then it will be held on the following Tuesday.

Miigwech for your co-operation and understanding.

Respectfully,
Lynn, A/Band Council Clerk

Please Note:

If you have any discussion items for
Chief and Council on:

Monday, November 2, 2015

The deadline for submission is:

Wednesday, October 28 4:00 PM

Aboriginal Affairs and
Northern Development Canada

**IF YOU DO NOT HAVE THE
MANDATORY IDENTIFICATION TO OBTAIN A STATUS CARD,
PLEASE CALL: 1-800-567-9604**

- Advise the call centre representative that you want to obtain a Temporary Confirmation of Registration Document (TCRD).
- They will ask a series of questions to confirm your identity and then mail a Temporary Confirmation of Registration Document (TCRD) to you.
- **This document will state your registration number and can be used in place of a Status Card to access benefits and services.**

AAMJIWNAANG FIRST NATION EMERGENCY PLANNING

ATTENTION AAMJIWNAANG RESIDENTS

Aamjiwnaang First Nation is planning to conduct a live exercise to practice response to an emergency event as per our Emergency Response Plan. There will be several objectives as part of this exercise designed to test certain parts of the Emergency Response Plan.

The exercise is scheduled to take place on:

Wednesday, October 28, 2015

10 am until noon

The exercise will involve the daycare/school staff and children, Community Centre and staff, Public Works Staff, City of Sarnia Fire Department and Union Gas representatives. Aamjiwnaang's Emergency Control Group will be meeting at the Community Centre.

A gas leak at the building is the scenario for this exercise with an evacuation required for the safety of all persons in the building. Virgil Avenue and Chippewa Crescent are expected to be temporarily inaccessible to vehicles. Traffic on Marlborough Lane may also be affected. This is to accommodate emergency vehicles responding to the exercise and movement of the staff and children away from the daycare/school. Once the staff and children are safely in the community centre, Virgil Avenue is expected to reopen.

This exercise is to assist with further development and improvement of Aamjiwnaang's Emergency Response Plan, related to an emergency event within the community. The exercise will also assist in the improvement in the emergency response of other organizations to an emergency within Aamjiwnaang First Nation.

We apologize for the inconvenience the exercise may cause.

Miigwetch!!

FACTS ABOUT VIOLENCE AGAINST WOMEN OBTAINED FROM THE CANADIAN WOMEN'S FOUNDATION

WHAT CAUSES VIOLENCE AGAINST WOMEN?

- In our society, gender inequality is visible in many areas, including politics, religion, media, cultural norms, and the workplace. Both men and women receive many messages—both blatant and covert—that men are more important than women. This fundamental inequality creates a rationale for humiliation, intimidation, control, abuse, and even murder.
- In this context, it becomes easier for a man to believe that he has the right to be in charge and to control a woman, even if it requires violence. This is not only wrong, it's against the law.
- Violence against women is rooted in the belief that women deserve less social power and it is therefore acceptable – maybe even necessary – to exert power over them. This mindset also drives many other forms of violence, such as racism, homophobia, classism, ageism, and religious persecution.
- There is no evidence that alcohol or mental illness causes men to be violent against women. Men who assault their partners rarely assault their friends, neighbours, bosses, or strangers. In fact, when it comes to alcohol, there is a clear double standard: while alcohol consumption by an offender is often used to excuse their behaviour, victims who have been drinking are often blamed for their own victimization.

WHO IS MOST AT RISK?

- Violence against women happens in all cultures and religions, in all ethnic and racial communities, at every age, and in every income group.
- However, some women are especially at risk:
 - Aboriginal women (First Nations, Inuit and Métis) are more than eight times more likely to be killed by their intimate partner than non-Aboriginal women. Aboriginal women are 3.5 times more likely to be victims of violence compared to non-Aboriginal women.
- According to both police-reported and self-reported data, younger women are at a much higher risk of violent victimization. 66% of all female victims of sexual assault are under the age of twenty-four (11% are under the age of eleven). The rates of violent crime against women aged 15 to 24 is 42% higher than rates for women aged 25 to 34, and nearly double than the rates for women aged 35 to 44. Women aged 15 to 24 are killed at nearly three times the rate for all female victims of domestic homicide.
- 60% of women with a disability experience some form of violence. According to the DisAbled Women's Network of Canada, women with disabilities experience the same types of violence as other women in addition to other forms related to their disability, including: increased difficulty leaving an abuser due to mobility or communication issues, higher rates of emotional abuse, being prevented from using a necessary assistive device (wheelchair, cane, respirator, etc.), and abuse by institutional caregivers and/or other residents.
- Many racialized women face barriers to reporting incidents of physical or sexual assault or seeking help. "A study with young women of colour in Toronto found that one-in-five experienced racism in the health care system which included cultural insensitivity, racial slurs, and poor quality care."

October 15, 2015

Aanii/Boozhoo Aamjiwinaang

I am happy to be working in the community once again, it has been eight years and 5 months. My return is in the role of the Community Health Rep, which is an entirely different type of work than in the past and I totally look forward to serving the community. Since my departure to my role at Stepping Stones many things have changed in the community and I hope to contribute in a positive way. I have had many people ask me, "**What does the CHR do?**" and my answer was/is; to provide Health promotion and prevention services and ensuring community has access to medical/health programs is the short answer. As it turns out there is so much more and I hope to get the community involved in all that I try to accomplish in the next six months. It is my intention to provide activities for all community members to build strength, get fit, eat healthy, stress management and to utilize the resources which we have in the community. I will be doing a short survey to see what types of fitness program the community members are interested in participating in and how I can best serve the community.

Please feel free to contact me at the Health Center I would love to come visit and talk about you.

Kristal Nahmabin, CHR

Aanii Aamjiwinaang,

The Drinking Water Monitoring Program is part of the CHR responsibilities. I will be conducting water sampling each week throughout the community buildings and homes in the community.

The Drinking Water Monitoring Program will consist of testing for chlorine residual and bacteria, such as E.Coli.

If you are interested in having your home drinking water source tested, please contact me at the Health Centre at 519-332-6770.

Respectfully,
Kristal Nahmabin, CHR

Travelling Seniors News & Updates...

Travelling Seniors hold monthly meetings the first Wednesday of every month at 6:00 pm at the Community Centre in the Seniors Room. Next meeting will be November 4.

Fundraising Bingos will be held on October 29 and November 26 . Plan to attend and support the travelling seniors!!

Attention High School Students!!

If you are looking for volunteer opportunities please consider the Travelling Seniors functions and events. Your assistance would be

Language Classes

With Francis Pawis
every Tuesday from 6-8 pm

- Everyone Welcome to Play!
- Ages 10+ w/adult supervision
- Bring a Friend or more!!

Students, come out and get your volunteer hours

Come on out and Support the Travelling Seniors!!

FACT SHEET

Influenza & the Injectable Flu Vaccine

What is influenza?

Influenza is also called "the flu." It is a serious respiratory infection caused by the influenza virus.

The flu usually lasts 2-7 days; sometimes longer in the elderly and in people with chronic health problems. The cough and fatigue can last for several weeks. About 12,200 people are hospitalized by the flu every year in Canada, and on average 3,500 deaths are related to the flu (NACI, 2015).

People who get the flu may have a fever, chills, cough, runny eyes, stuffy nose, sore throat,

headache, muscle aches, extreme weakness and fatigue. Children can have ear aches, nausea, vomiting, and diarrhea. The elderly may not have a fever.

How do I get the flu?

The flu is spread easily through coughing, sneezing or touching contaminated surfaces or objects like unwashed hands, toys and eating utensils.

If you have questions, call Lambton Public Health at 519-383-8331 or toll free 1-800-667-1839.

What is the difference between a cold and the flu?

Colds, stomach flu and other viral infections are often confused with the flu but they are caused by viruses different from the flu virus.

Symptom	Cold	Flu
Fever	Rare	Usual; high fever (102°F/39°C-104°F/40°C), sudden onset, lasts 3-4 days
Headache	Rare	Usual; can be severe
Muscle aches and pains	Sometimes, mild	Usual; often severe
Fatigue & weakness	Sometimes, mild	Usual; severe, may last 2-3 weeks
Extreme Fatigue	Unusual	Usual; early onset, can be severe
Runny, stuffy nose	Common	Common
Sneezing	Common	Sometimes
Sore throat	Common	Common
Chest discomfort, coughing	Sometimes, mild to moderate	Usual; Can become severe
Complications	Unusual	Can lead to pneumonia and respiratory failure, and become life-threatening. Can worsen a chronic condition.
Prevention	Frequent hand washing	Annual immunization and frequent hand washing

...More

**Lambton
Public Health**

Prevent the spread of the virus

Wash hands thoroughly and often

Keep alcohol-based hand sanitizer handy

Cough or sneeze into a tissue or your sleeve

Keep surfaces and items disinfected

Get the seasonal flu vaccine

Preventing the flu

The flu shot is the best defence against the flu virus. The vaccine can prevent influenza illness in 70%-90% of healthy children and adults.

Who **SHOULD** get the flu shot?

Everyone 6 months of age and older can benefit from the flu shot each year!

HIGH RISK Groups:

- Anyone with chronic health conditions.
- Residents of nursing homes and other chronic care facilities.
- People 65 years of age or older.
- Children 6 months to 4 years of age.
- Healthy, pregnant women (especially in third trimester).
- Severely obese persons (BMI \geq 40).
- Aboriginal peoples
- People capable of transmitting influenza to those at high risk.
- Health care and other care providers.
- Household contacts of:
 - individuals at high risk
 - infants under 6 months of age
 - expected newborn during the flu season
- Those providing child care to children less than 24 months of age.
- Those who provide services in closed settings to persons at high risk.
- People providing essential community services.
- Poultry and/or swine workers.

Who should **NOT** get the flu shot?

- Children under 6 months of age
- People with a severe allergy to any component of the vaccine
- Anyone who had a serious allergic reaction to a previous dose of the influenza vaccine
- Anyone who developed GBS within 8 weeks of a previous influenza immunization should avoid influenza immunization in the future.
- Anyone with a moderate to severe acute illness with fever should usually wait until the symptoms subside before being immunized.

Can the flu shot give me the flu?

No. The flu shot does not contain live virus so you cannot get the flu from the vaccine.

What are the risks of the flu shot?

Like any medicine the flu shot can cause side effects. The risk of serious harm is small. Most people who get the vaccine have no side effects or mild side effects such as:

- Soreness, redness or swelling at the spot where you got the shot
- Low-grade fever or muscle aches

Life-threatening allergic reactions are very rare. If they do occur, it is usually within minutes to a few hours after getting the vaccine.

People are asked to stay at the clinic for 15 minutes after getting their shot, to be sure. Healthcare providers at the clinic are trained to monitor and treat possible reactions.

Signs of a reaction include:

- Hives or an itchy rash
- Swelling of the mouth or throat
- Trouble breathing, hoarseness or wheezing
- Pale skin colour, weakness, fast heart beat or dizziness.

If you have an unusual reaction, call your healthcare provider or Lambton Public Health at 519-383-8331 or toll free 1-800-667-1839.

What is Guillain-Barré Syndrome (GBS)?

GBS is a very uncommon disease with sudden onset of weakness or muscle paralysis. GBS following flu shots is rare. The risk of getting GBS from the flu is higher than from the flu shot.

Overall, the risk of GBS occurring in association with immunization is small. In comparison to the small risk of GBS, the risk of illness and death associated with influenza is much greater.

Boost your protection:

- Wash hands often.
- Keep alcohol-based hand sanitizer handy at home, in your car, etc.
- Cough / sneeze in a tissue or sleeve.
- The flu virus changes so get a seasonal flu shot every year for protection.
- Keep surfaces and items disinfected.
- Eat a diet high in fruits and vegetables. They contain nutrients to help fight illness.
- If you are sick stay home from daycare, school, work, visiting hospitals or long-term care homes until you feel better.

Adapted from the Ministry of Health and Long-Term Care

Revised: 07.OCT.15

The flu vaccine is available at the Health Centre. Call 519-332-6770.

On behalf of the E'Maawizidijig Heritage and Culture Club I would like to take this time to thank everyone involved in the sponsorship of our recent first Annual Artfest.

It was a huge success, many families were brought together at this event, participating in displays, socializing, painting something at Crock A Doodle, enjoying face painting, or taking pictures at the photo shoot.

To see the elders and children participating at Crock-A- Doodle was such an amazing sight to see. Personally it was one of my life's goals realized that day.

If you missed it no worries, as we are planning to have them back in the future.

Chi Miigwetch!! Marina Plain

LOOKING FOR FOSTER PARENTS

NEWS RELEASE

Wednesday, September 9, 2015

For Immediate Release

New Rules of the Road - Effective September 1, 2015

Sarnia, ON - On September 1, the Province of Ontario introduced a variety of Highway Traffic Act measures designed to create safer roads.

Changes include:

Cycling

- Bicycle lighting fine increased to \$110
- One metre passing distance for vehicle driver: \$110 fine (\$180 fine in community safety zone); two (2) demerit points
- "Dooring" (opening door) a cyclist: \$365 fine; three (3) demerit points

Distracted driving

- \$490 fine and three (3) demerit points; minimum 30-day suspension for novice drivers

Slow Down, Move Over

- Slow Down, Move Over for pulled over emergency vehicles or tow trucks with lights flashing: \$490 fine.

"While increased fines and demerit points may impact a driver's wallet, the new laws make the roads safer for all users, especially cyclists," said Kelley Elliott, Chair of the Lambton Safe Roads Committee and Health Promoter with Lambton Public Health.

For more information on changes to the Highway Traffic Act visit www.mto.gov.on.ca.

Graduates get jobs from the get go!

If you are looking for a hairdressing school, join *On Edge* Academy of Hair. Our curriculum is custom designed by Master stylist Patricia Pearson who believes that power is knowledge. She created a program with 100% hands on experience, real people, real situations that provides excellent theory.

The program is only 1500 hours, the schedule is:

- Tuesday - Friday, from 9:00 am - 4:00 pm
- Saturdays, from 9:00 am - 3:00 pm
- On Edge Academy of Hair is the only private hairdressing school, Registered and Approved with the Ministry of Colleges and Universities to deliver a diploma program in Sarnia.

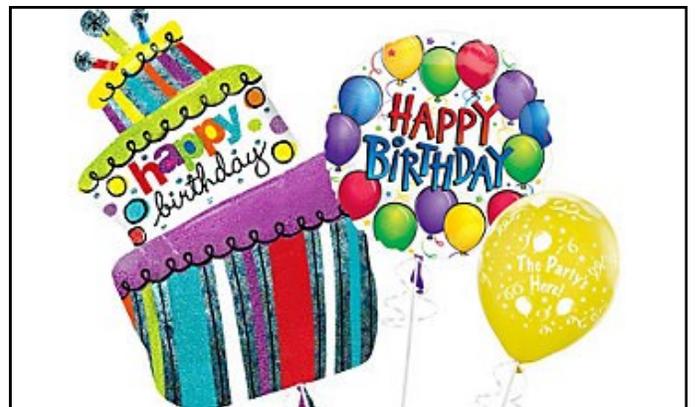

Check out our Facebook page & website for more information or call the Academy at

519-383-8017.

1ST AAMJIWNAANG CUB SCOUTS

On Monday, October 5, 2015, Chief and Council approved funding for a Cub Scouts Program, under the guidance of Scouts Canada.

Twelve (12) spots are available for children 8, 9 and 10 years old. Uniforms will be provided.

Volunteers are needed for: Two (2) Group Leaders, a Secretary, and Treasurer.

Screening and Training of the Group leaders is required before a Cub Scouts Program can begin.

PLEASE CONTACT JOANNE ROGERS AT: (519) 337-7362 A.S.A.P. IF YOU WOULD LIKE TO VOLUNTEER YOUR TIME, ENERGY AND ENTHUSIASM as a Group Leader, Secretary or Treasurer and to sign up your child for Cubs!

ACTIVE THROUGH ART

AN INSPIRED PROGRAM FOR SENIORS

Get On The Art Bus!

With Lambton Elderly Outreach, we are proud to offer accessible transportation to and from Kettle & Stony Point, Forest, Aamjiwnaang, Petrolia, and Sarnia. Available for participants who would otherwise be unable to attend. **FREE, but capacity limited. RSVP required.**

Behind the Scenes | October 7, 1:00 - 3:00 pm

Learn what goes into hosting an exhibition like the *Masterworks from the Beaverbrook Art Gallery*, see the vault with the JNAAG's Permanent Collection, tour the gallery exhibitions, and more.

Arranging Beauty | October 28, 1:00 - 3:00 pm

Be inspired by the floral beauty and symbolism in selected art works and learn how to create an outstanding floral display. Led by Margaret Taylor, Coordinator of Floral Design at the Toronto Botanical Garden.

Through Generations | November 18, 10:00 am - 12:30 pm

After looking at artworks depicting stories from the past, participants will team up in intergenerational pairs to share their unique stories that will then be represented in paint.

Tis the Season | December 9, 1:00 - 3:00 pm

Get a dose of seasonal cheer with some delightful winter scenes from our exhibitions. Then, share in the community spirit through a group potluck and an interesting workshop where we get to play with food as art.

Dance, Line, and Rhythm | January 13, 1:00 - 3:00 pm

Great artwork can often portray and embody a sense of rhythm, movement, speed, and repetition. After exploring examples in our exhibitions, we will replicate the visual experience with our bodies.

Portrait of a Lifetime | February 3, 1:00 - 3:00 pm

The best portraits display the sitter's identity and go beyond mere representation. Consider the key to representing yourself and then choose five symbols to make a non-representational self-portrait.

RSVP to attend workshop(s), or for the Art Bus, by contacting Caitlyn McMillan at caitlyn.mcmillan@county-lambton.on.ca 519-336-8127 x 3223
