Aboriginal Youth Entrepreneurship Program (AYEP)

Calling all Aboriginal youth living in Southwestern Ontario

Tecumseh Community Development Corporation (TCDC) is partnering with I DO BUSINESS. to deliver an entrepreneurship training program that will help you to learn, launch, and grow your very own business in less than a year!

Our **FREE** 14-week training program will help you:

- Come up with your brilliant business idea and create a plan to reach success
- Apply for a chance to get up to \$3000 to help you start your business
- Market your business to get customers, make money, and find personal success
- Learn about business loans and other ways to get money to start your business
- Build your skills and confidence to be a successful entrepreneur
- Provide you with post-training business launch support for up to 10 weeks
- Match you with a business mentor

Am I eligible?

To participate in this program, you must

- Be 18 to 29 years of age
- Self-identify as Aboriginal, First Nation, Métis, or Inuit
- NOT be currently enrolled in school full-time
- Commit to the full 14 week training program

When does the program start?

The program begins September 30, 2015.

Visit www.idobusiness.ca/tcdc1.html for more information

Where is the program located?

The program will be located at the Goodwill Career Centre at 1249 London Road, Sarnia,

When is the program held?

Main classroom hours are on Wednesdays and Thursdays between 9 a.m. and 5 p.m. If you cannot attend the program on these days, individual meetings can be organized with you at public locations such as the Sarnia Library.

How much time will I need to commit to the program?

Expect to spend 10 to 20 hours per week to getting your business started while participating in this program. This time will be divided between in-class hours, individual support time with our Business Development Facilitator, and independent work on your own.

Is food provided?

Lunches and snacks will be provided during our Wednesday and Thursday classroom hours.

Are there supports to help me overcome obstacles to participation such as child-care or transportation costs?

Yes, once you are accepted into the program we will work with you to find out what challenges you have that could threaten your ability to complete the program. We will then help you to make arrangements to overcome these obstacles. Some funding is available to help pay for challenges such as child-care while in class.

Who do I contact to learn more?

CARING CONNECTIONS NURTURING PROGRAM

For Women with Substance Misuse Issues

This program's focus is to help mothers learn to balance their recovery from substance use with being the best parent she can be to her children. These roles are often viewed as being at odds with each other as a woman learns that she is supposed to be as selfish in her recovery as she was in her addiction while acknowledging that being a parent is one of the most selfless roles a woman fulfills in her life. This program teaches a woman to nurture herself in her recovery as she learns to nurture her child so the roles can be parallel to allow a woman to effectively manage both roles. The program aims to improve and strengthen the relationship between mother and child to improve outcomes for their newborns, infants and children while strengthening a mother's path to recovery.

Infectious Diseases Prevention and Control

FACT SHEET

Rabies

What is rabies?

Rabies is a deadly viral disease carried in the saliva of an infected animal. Rabies attacks the nervous system, and is fatal most of the time. Rabies occurs worldwide except Antarctica. Most human deaths occur in Asia and Africa and the disease is mainly transmitted by dogs. In Ontario, bats or wild animals such as skunks, foxes, and raccoons have been known to carry rabies, but domestic animals such as dogs, cats, and ferrets can also become infected.

How is rabies spread?

Humans and other animals can become infected through licks, bites or scratches from an animal with rabies, or if the rabies virus comes in contact with an open cut or the moist tissues of the mouth, nose or eyes.

How do I tell if an animal has rabies?

The following are symptoms animals with rabies may exhibit, however rabies can only be diagnosed in the lab.

There are 2 types of rabies: 'furious rabies', and 'dumb rabies'.

- Animals with "furious rabies" is more common, and may appear excitable and overly aggressive.
- Animals with dumb rabies may appear quiet and unusually friendly. They may also hide, or show signs of paralysis.

What if I am exposed?

Immediately clean the wound right away by washing and flushing with soap and water for at least 14 minute. Get the animal owner's contact information and seek medical attention. All possible rabies exposure incidents **must** be reported to Lambton Public Health.

In the case of dogs, cats and ferrets, a public health inspector will isolate the animal for 10 days to see if

transmitted rabies at the time when the exposure occurred.

If the exposure involved a wild animal or a bat, they may be tested in a lab.

What can I do to help prevent rabies?

- Make sure your pet has up-to-date rabies vaccination.
- Do not touch or play with animals you do not know.
- Keep your pets under control. Do not let them run free, especially at night.
- Do not touch animals that look sick, even if you may want to help them.
- Do not touch dead animals.
- Stay away from wild animals.

Can rabies be treated?

If you have been exposed to the virus (bitten or scratched), shots (called post-exposure prophylaxis) can be effective at preventing the disease, as long as they are received as soon as possible.

Post-exposure prophylaxis is available worldwide, but it is often difficult to obtain.

There is no specific treatment for rabies once symptoms appear.

Where can I get more information?

Bereavement Outreach

The Health Centre will now be doing outreach visits when there is a death in our community. Staff will visit the family to deliver a small basket of goods (i.e. coffee supplies, plates, etc.) with information about financial assistance offered by the Band, meal assistance through the volunteer Bereavement Committee and counseling services. We hope you find this helpful during a difficult time.

Donations

Donations of food are always needed and appreciated.

Volunteers Needed

The Bereavement Committee is a group of community members who volunteer their time to help prepare meals for community funerals. Their commitment is outstanding and they are certainly appreciated in our community! They could really use some help with clean up after the meals. If you'd ever like to help out, please feel free to stop by the kitchen and lend a hand. If you'd like to help with meal preparation, please get in touch with Malynnda Maness-Henry (519-332-6770) or Melanie Williams (519-336-8410) and they can add you to their list of volunteers.

Found a needle? Protect yourself. Dispose of it safely!

Children must be taught to never touch a discarded needle, but to show an adult where it is. Adults can safely pick up and dispose of a found needle by following the steps below.

You will need:

- Pliers, tongs, or tweezers
- A non-breakable, puncture proof container with a screw-top lid – like a thick plastic jar, empty bleach or fabric softener bottle

Take the pliers and container to where the needle is.

Place the container on a stable surface.

Use the pliers to carefully pick up the needle.

Hold the needle tip away from you.

Be careful not to prick yourself with the needle.

Carefully put the needle into the container, needle end first.

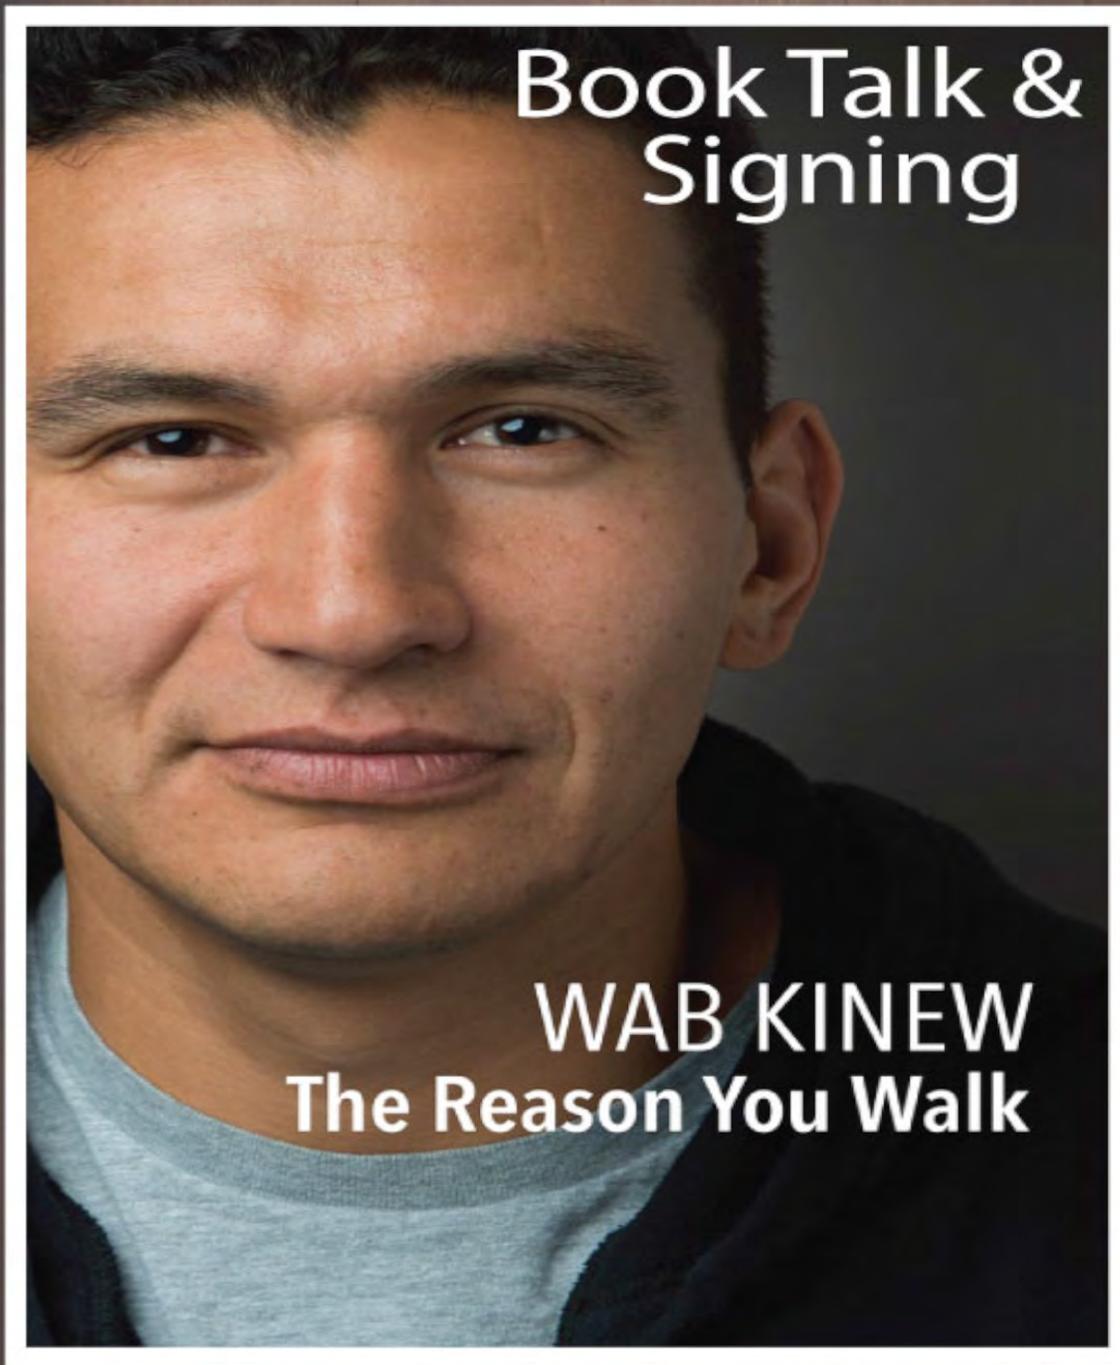

Close the container tightly.

Wash your hands.

Do not dispose of needles in your curbside garbage or Blue Box containers.

Please drop off discarded needles at the Health Centre.

The Overdoes Awareness Baseball Tournament (including a Home Run Derby) in conjunction with the Community Bingo and Corn Roast & Jamboree were successful events on Saturday, August 29, 2015. Below are some pictures from the days events.

THANK YOU!

We would like to express our sincere gratitude to the Dreamcatcher Charitable Foundation for their tremendous support for our daughter Naomi Beauchesne. Naomi played for the Michigan Pride 12U softball team. Competing in tournaments throughout the U.S., places like Chicago IL, Indianapolis IN, Columbus OH, Atlanta GA, Orlando FL, and several cities in the state of Michigan. Naomi had a fantastic season, playing at the highest level of softball that there is to offer at her age. Training hard, having fun and meeting great people, all while making memories that will last a lifetime.

Thank-you Dreamcatcher Charitable Foundation for helping to make dreams come true.

The Beauchesne/
George Family
