TRADITIONAL LAND USE INTERVIEW REMINDER

For those who wish to sign up for an interview can call the Environment Department at 519-336-8410 and ask for Bonnie Plain to set a date and time to schedule an appointment for an interview. If you have already signed up, you can also book a date and time if you have not been contacted yet.

It may be a good idea to mention if you prefer to have an **Oral History Interview** or **Mapping Interview**. The following list identifies information, topics, and questions you can expect during the Oral History and/or Mapping interviews.

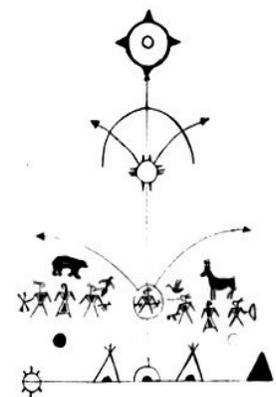

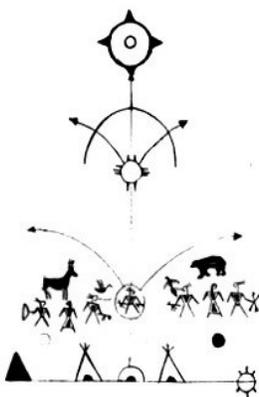

Oral History Interview

- Individual history
- Family history
- Cultural heritage
- Harvesting and/or farming
- Hunting, fishing, snaring
- The natural environment
- Changes to the environment
- Other relevant information

Mapping Interview

- Residences (current and past)
- Land use activities
- Hunting areas
- Fishing and/or spawning areas
- Camping, cabins, stands
- Plant harvesting areas
- Old pathways/access routes
- Cultural sites/sacred places

Some questions are specific but it is your story, your history. You'll be speaking your truth and what you've experienced. Anything important to you and what you want to carry on for your grandchildren, is what matters here. Be prepared to set aside 2-3 hours .
Keep an open mind, relax and the memories will come naturally.

Mii Gwetch for your participation.!

Mountain of Inhalers Initiative

Focusing on Air Quality, Asthma and Contributing Factors

"A Visual Statement"

2013/2014 Report

*587 Inhalers were issued
 to Band Members by
 NIHB Health Canada.
 60.5 % were children*

Asthma Rates

*FN Children 15.9% vs
 Other children 13%
 FN Adults 11.4% vs
 Other adults 8.5%*

Our focus is on contributing factors in air quality around SO₂ and particulates linked to asthma within Aamjiwnaang. We want to bring awareness about the number of community members using inhalers. We are going to gather and compile your used inhalers to create a visual statement to show exactly how we are impacted by the air we breathe.

Starting June 1, 2015 you can drop off your used inhalers at the Environment Department or Health Centre and we will insert them into a plexi-glass box. The box will be put on display at various locations so we can visually watch it grow over the course of 1-year.

PLEASE REMOVE ALL PERSONAL INFORMATION

AIR MONITORING STATION RESULTS

Community Open House:

Michael Moroney, Sarnia District Manager and his team from the Ministry of the Environment and Climate Change will present the 2013 air monitoring results and the five-year trend data on July 8th, 2015 at the Community Centre. In addition, ministry experts will be available to discuss topics that are important to the Aamjiwnaang First Nation community, such as:

- Particulate matter
- Sulphur dioxide
- New Incident notification process
- New air monitoring program
- Health-based standards

Come hear about what the Ministry of the Environment and Climate Change is doing to improve Aamjiwnaang First Nations air quality. Everyone is encouraged to join the conversations, ask questions and engage with ministry staff on this important topic. For more information on this open house, please contact Courtney or Christine.

WED., July 8 from 5:00 to 7:00 pm at the Maawn Doosh Gumig Community & Youth Centre

Agenda:

Annual Aamjiwnaang Education Awards

It's that time of year again! It's been a great school year and we hope everyone had an enjoyable experience! This is a notice to the community that REPORT CARDS are due by **Friday, July 10, 2015 at 4:00 p.m.** Report cards and transcripts received after this date will not be eligible for cash awards.

Students who submit their report cards are eligible to receive cash awards and attend the annual Education Awards Banquet. The banquets will be held at Maawn Doosh Gamig Community and Youth Centre at 5:00 p.m. on Wednesday, August 12 (elementary) and August 19 (secondary/post-secondary).

For a complete list of eligible awards, please contact the Education Department.

Listed below are further details:

Elementary School Students (JK to Grade 8)

Parents/Guardians of Aamjiwnaang elementary students must submit a copy of their student's final report card for the 2014/2015 school year. The receptionist at the Band Office or the Education Department will take a copy of the report card for you. Please ensure that your telephone number is on the copy. Mrs. K. Henry will forward the information for her Aamjiwnaang Junior Kindergarten class to the Education Department.

Secondary School Students (Grade 9-12)

The Education Department will request the Credit Counselling Summaries directly from AMSS, St. Clair and SCITS for the Aamjiwnaang members who ride the community school buses. All other students must submit a copy of their final report for both semesters. Please ensure that your telephone number is on the copy. Grade 12 Grads going onto Post Secondary, apply for a free laptop. See flyer for more details on the free Laptop.

Post-Secondary & Adult Learning Centre Graduates

Students who have graduated from 2014/2015 must submit their final transcript or a copy of your diploma. Please ensure that your telephone number is on the copy.

Bursaries

There are a number of bursary applications available. Please take a look at them to see if you are eligible. The Suncor, Nova Chemicals, Shell, and Union Gas Bursary applications are now available in the Lobby in the Band Office. Bursary applications can be requested by fax or Email: to daiken@aamjiwnaang.ca

Deadline dates for report cards, transcripts, and bursaries are **Friday, July 10, 2015 at 4:00 p.m.**

WHERE'D SHE GO?

Hello Aamjiwnaang! My name is Peggy Rogers.

I work at the Health Centre as the Seniors Health Worker. I have been at my job for approximately 9 years but I have been at the Health Centre longer, employed in other jobs. I truly enjoy my job!

I work with seniors 55+. I organize activities and events for the seniors. One activity that everyone enjoys is Congregate Dining every Wednesday. We also get together on different occasions throughout the year. I have seen a growth in the Seniors Program and love to see the seniors having fun! I am currently working on a grant through New Horizons for Seniors Program which a committee has formed to help plan different events and activities for the whole community. Watch for upcoming events in the Tribe-Une! And we welcome any additions to the New Horizons Committee.

I have a son, daughter and granddaughter who are my pride and joy. I am very proud of them! I have 3 fur babies –Myiingun, Dakota and Deiz who mean the world to me. I also enjoy jigsaw puzzles, watching Christmas movies throughout the year, hanging out with friends and watching Netflix.

I also enjoy watching my kids and the rez kids play baseball and hockey.

HELP SUPPORT AAMJIWNAANG DAYCARE, ENJOY KERNELS POPCORN!

We are selling Snack Size Kernel's popcorn to help fundraise for our Year End Party in August. Each bag is \$2 and is available in Buttersalt, White Cheddar, Salt & Vinegar, Dill Pickle, Low-Fat Caramel and Kettle Corn. **Please drop in, or talk with a fundraising parent to place your order.** All proceeds go towards making this day as fun as possible. Thank you!

Orders **MUST** be in July 17 * Whole grain, GMO free corn. No trans fats, gluten and nut free

Healthy Kids For Life

Healthy Kids for Life Camp is back for the summer! Please join us for a fun and exciting summer where we will be exploring what it means to live a healthy lifestyle.

Ages: 6 – 12

When: July 6 – August 19

Date: Monday, Tuesday, Wednesday

Time: 9am – 1pm

Due to limited space, spots will be reserved for the first 15 campers that submit the registration form to the Health Centre by June 30!

I HEREBY GIVE MY CHILD: _____, Permission to participate in the Healthy Kids for Life Summer Camp on Mondays, Tuesdays, and Wednesdays. This program begins July 6th, 2015 and ends August 19th, 2015 and runs from 9am to 1pm.

I understand that a parent or guardian is responsible to drop the child off at 9am and pick them up at 1pm. It is not the responsibilities of the Healthy Kids for Life to provide transportation for the child. If you will be late either arriving or picking up the staff at the Health Centre must be informed.

I further understand that I will not hold the Aamjiwnaang First Nations or any of the Healthy Kids for Life staff responsible or liable for any accidents or injuries that may take place during participation in the summer camp.

I give permission for photos of my child to be used for promotion of the program, and in support of ADI funding.

I also give permission for any first aid/medical attention that may be required. In case of an accident the phone numbers given will be contacted.

I understand that this program involves trips from the Health Centre to various locations. I allow my child to participate in activities at alternate locations.

Found a needle? Protect yourself. Dispose of it

Children must be taught to never touch a discarded needle, but to show an adult where it is. Adults can safely pick up and dispose of a found needle by following the steps below.

You will need:

- Pliers, tongs, or tweezers
- A non-breakable, puncture proof container with a screw-top lid – like a thick plastic jar, empty bleach or fabric softener bottle

Take the pliers and container to where the needle is.

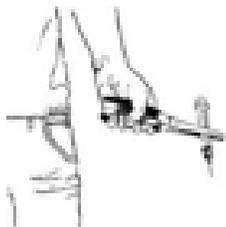

Place the container on a stable surface.

Use the pliers to carefully pick up the needle.

Hold the needle tip away from you.

Be careful not to prick yourself with the needle.

Carefully put the needle into the container, needle end first.

Close the container tightly.

Wash your hands.

Do not dispose of needles in your curbside garbage or Blue Box containers.

Grief & Loss Counselling Services

Support for Families, Caregivers and Friends Who are Supporting Someone Struggling With Substance & Alcohol Use

Families can play an important role in supporting a loved one with a substance use problem. Often it is the families and loved ones that deal with the crisis, assist with system navigation, serve as informal case managers, encourage and support treatment. Family members, caregivers and friends may experience anxiety, stress, shame, self-blame, depression, fear and frustration. People dealing with addictions in their family can initially not have adequate information regarding the problem, treatment, self-care or available resources.

Facilitators from Bluewater Health Community Withdrawal Program will introduce ideas and concepts to you to support your understanding of substance use, how to better support yourself and how to better support your loved one.

Let's Talk

Safer Drug Use

Safer needle use helps protect injection drug users from HIV, hepatitis B and hepatitis C, as well as many other diseases and problems like dirty hits, vein collapse, tetanus, or abscesses.

HIV and hepatitis C can be transferred through the blood of one person to another by sharing needles, syringes or other drug use equipment.

You can prevent becoming infected with HIV or hepatitis C by:

- Using a new, sterile needle every time you inject.
- Using new equipment every time before each injection such as cookers, filters, ties, acidifiers, swabs, and water. The risk for HIV infection from sharing other drug use equipment is low but the risk for hepatitis C is high.
- Safely disposing of used needles in a container.

Keeping Yourself Healthy

- Every time you inject, any germs on your skin, in your syringe, on your spoon or glass, or in your water will be injected into your veins.
- Tiny pieces of your filter can also be pulled up into the syringe as you fill it. If you inject it into your veins the infection is called cotton fever.
- Dirty hits can cause abscesses, vein collapse, the bends, embolisms (blockage of the vein), heart and lung infections and/or blood poisoning.

Taking Care of Your Veins

- Every time you inject, you put a tiny hole in your vein. It needs time to heal properly before you use it again or it can collapse or cause track marks.
- All drugs are mixed with something. Pills are mostly made up of chalk with a little bit of the drug mixed in. Coke, heroin and other drugs are mixed with many different chemicals. Every time you inject, you're also injecting these things into your veins. They can also cause in-

Veins collapse from:

- Getting infected.
- Scarring from always injecting in the same place.
- Re-using needles - they are no longer sharp.

Track marks and bruising are caused by:

- Blood leaking out of the vein.
- Infections.
- Using blunt or barbed needles (no longer sharp).
- Always shooting in the same place.

To prevent infections, vein collapse and other side effects of injecting:

- Use a new, sterile needle every time you inject.
- Wash your hands before you handle the equipment.
- Use a new cooker each time you mix your drugs.
- Use a new filter each time you inject.
- Use sterile water. If you don't have sterile water, use tap water, but let it run for a minute first. Do not use water that has been sitting around for a while.
- Always clean your skin with alcohol swabs before you inject.
- Change the place on your body where you inject.

If you would like more information on safer injection or drug use and HIV/hepatitis C, contact our Health Centre team (519) 332-6770.

TRADITIONAL HEALERS

Did you know that you can book appointments with the traditional healers at SOAHAC? They have sites in London and Chippewa.

What happens during a one-to-one visit?

At SOAHAC, visiting Traditional Healers/Elders are required to have a Shkaabewis – a Helper – present at all times. The Shkaabewis will assist you and the Traditional Healers with all aspects of your visit, including note taking to help you remember your

conversation. You might feel a bit nervous about approaching a Traditional Healer during your first visit; this is normal and natural. The Traditional Healers will do everything they can to try and put your mind at ease so you can be relaxed and comfortable as possible. Before and after each visit you will be given an opportunity to evaluate your experience based on a short, holistic evaluation.

For new individuals seeking these services, an intake assessment may be required to assist with service planning, and a conversation with the Shkaabewis (Helper) is recommended prior to your visit. For more information or to book an appointment, please call Stephanie Trudeau at 519-289-0352.

More information about traditional healing at SOAHAC, including the traditional healing calendar, can be found on their website: <http://soahac.on.ca/service/traditional-healing/>

We can see lateral violence at the First Nation community levels. It is a 'cloud' that has loomed over us for years. Lateral violence has become a destructive way of life for families and communities.

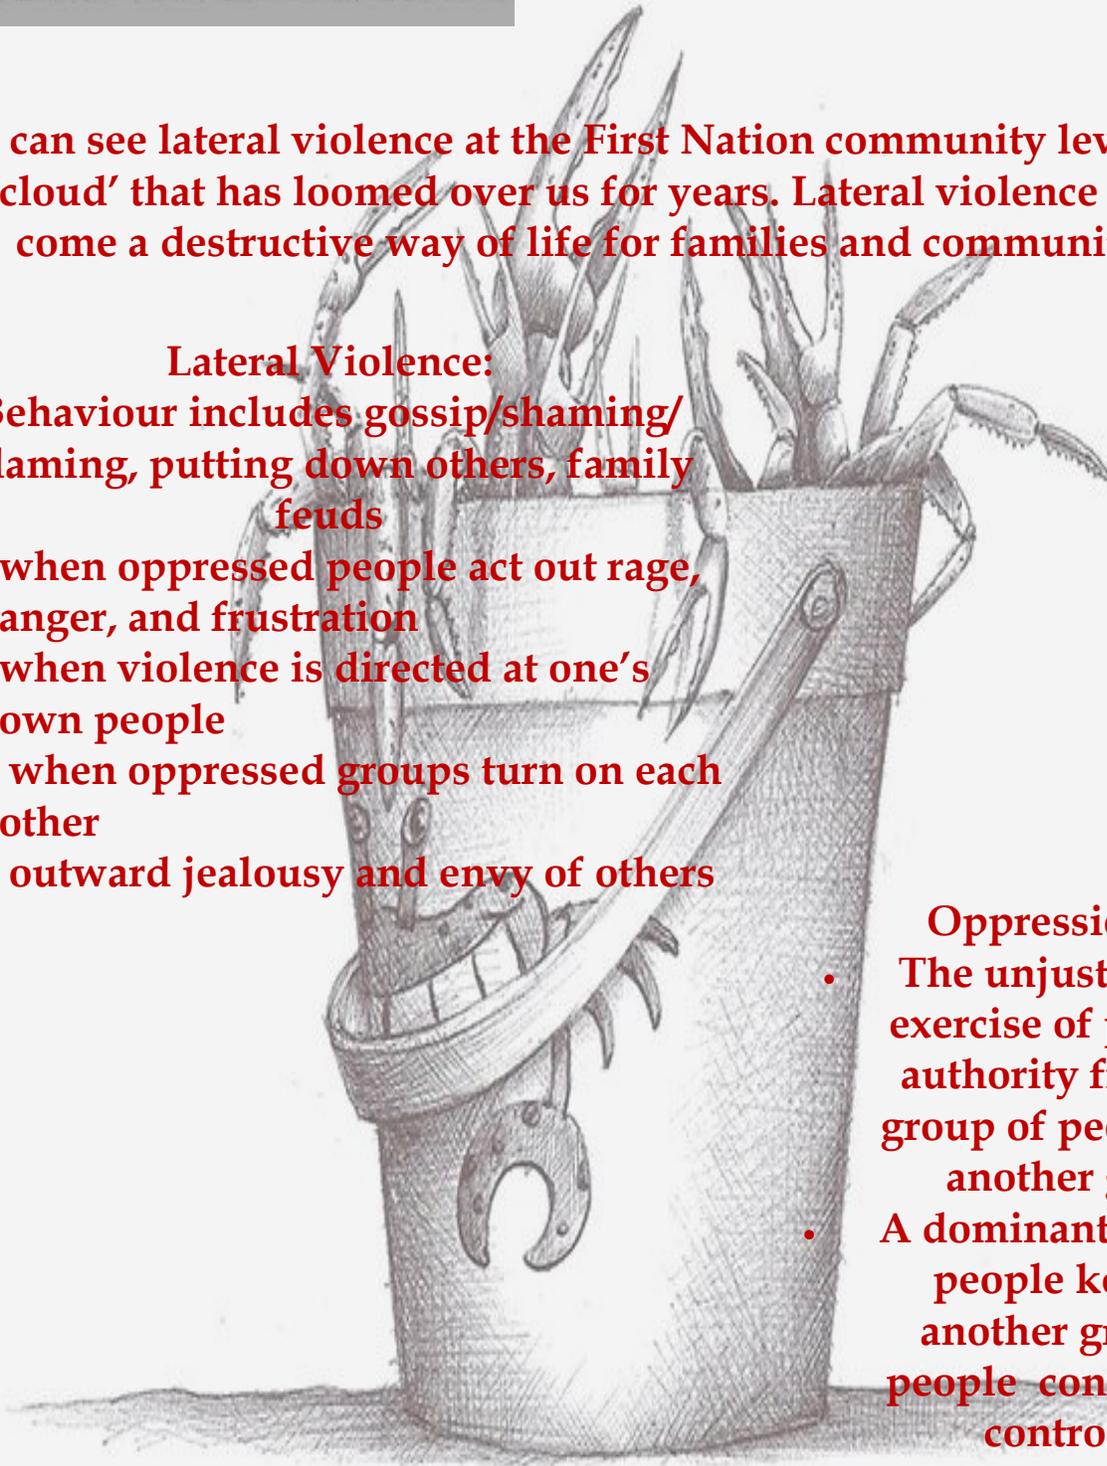

Lateral Violence:

Behaviour includes gossip/shaming/blaming, putting down others, family feuds

- when oppressed people act out rage, anger, and frustration
- when violence is directed at one's own people
- when oppressed groups turn on each other
- outward jealousy and envy of others

Oppression:

- The unjust or cruel exercise of power or authority from one group of people over another group
- A dominant group of people keeping another group of people contained or controlled

Non-Insured Health Benefits (NIHB) Program Update

Informing First Nations and Inuit clients, as well as their representative organizations, about their coverage and NIHB policy changes

What's Inside

<i>Pharmacist Prescribing for Allergy Medications</i>	1
<i>Change in Listing Status of Buspirone</i>	1
<i>Government of Canada Direct Deposit</i>	2
<i>Client Inquiries</i>	3

Pharmacy Benefit Information

Pharmacist Prescribing for Allergy Medications

Effective June 15, 2015, the NIHB Program will accept prescriptions from pharmacists for some medications to treat common allergy symptoms. The laws and regulations on pharmacist prescribing are not the same in every province. You can ask your local pharmacist if they are able to prescribe allergy medications.

For the treatment of runny nose due to allergies (known as “allergic rhinitis”), pharmacists may prescribe some oral and nasal spray medications. For the treatment of itchy, watery eyes (known as “allergic conjunctivitis”), the NIHB Program will accept prescriptions from pharmacists for medications such as eye drops and oral medications.

Change in the Listing Status of Buspirone

The medication buspirone is used to treat anxiety. It is less likely to be addictive, compared to some other anti-anxiety treatments, such as benzodiazepine medications (for example, diazepam). Effective April 21, 2015, buspirone became an open NIHB benefit. This gives NIHB clients and their doctors another treatment option for anxiety.

General Program Information

Government of Canada Direct Deposit – Information for NIHB Clients

What is the Direct Deposit Initiative?

The Direct Deposit Initiative is a new and modern way for the Government of Canada to make payments by switching from cheques, to depositing payments directly into your bank account. This way of making payments is secure, fast and reliable.

When will the Direct Deposit Initiative come into effect?

Direct deposit is now available and enrolment for direct deposit is underway. By April 1, 2016, most Government of Canada payments will be made by direct deposit.

Should all NIHB clients enroll for direct deposit?

Yes, all NIHB clients are encouraged to enroll for direct deposit if they expect to receive future payments from Health Canada.

However, payments for dental, pharmacy and/or medical supplies and equipment benefits are made through Express Scripts Canada on behalf of NIHB. These payments are not affected by the Government of Canada's Direct Deposit Initiative.

How do I enroll for direct deposit?

You must complete and submit a direct deposit enrolment form. You may have already received this form in the mail. You can download the form from the Health Canada website at <http://www.hc-sc.gc.ca/ahc-asc/branch-dirgen/cfob-dgcm/ddi-ddo/index-eng.php>, or you can request a form by emailing DD@hc-sc.gc.ca.

Completed forms should be sent to:

In the Northern Territories, Ontario, Québec and the Atlantic Provinces:

- By email to DD@hc-sc.gc.ca
- By fax to 613-954-3129
- By regular mail to Accounting Operations East, 2932 Baseline Road, Tower C, Ottawa, ON, K1A 0K9

In Manitoba, Saskatchewan, Alberta and BC:

- By email to vendor_codes_west@hc-sc.gc.ca
- By fax to 204-594-8151
- By regular mail to Accounting Operations West, 300-391 York Avenue, Winnipeg, MB, R3C 4W1

Are there any exceptions to direct deposit?

Yes. An exception can be made if an individual does not have a bank account.

To apply for an exception, you must fill out and submit the Direct Deposit Exception Form. You may have already received this form in the mail. You can also download the form from the Health Canada website at <http://www.hc-sc.gc.ca/ahc-asc/branch-dirigen/cfob-dgcm/ddi-ddo/index-eng.php>, or you can request a form by emailing DD@hc-sc.gc.ca.

If you need more information about direct deposit enrolment or exceptions, you can call 1-800-815-0506.

EMERGENCY PLANNING

SHELTER-IN-PLACE

A chemical or natural emergency can happen anywhere in or near our community. Depending on the emergency situation, you may be asked to “Shelter-in-Place”.

“Shelter-in-Place” is described as the practice of going or remaining indoors during the release of an airborne hazardous material or, possibly a severe weather emergency such as a tornado.

If a “Shelter-in-Place” has been issued,

DO:

- Stay calm.
- Go or remain inside.
- Close all windows and doors.
- Turn on the local radio stations and listen for instructions
- Keep phone lines free
- Avoid calling 9-1-1 unless there is an emergency to be reported.

For chemical emergencies, also,

- Turn off furnace/air conditioners/exhaust fans and any appliances to avoid drawing air into your shelter.
- Close fireplace dampers.
- Seal a room by using wet towels at the base of a door.
- You can use a damp towel to filter some of the air you breathe.
- Avoid going into the basement, if possible.
- Stay away from the emergency area. You may hinder emergency rescue or recovery efforts and put yourself in harm’s way at the same time.

DON’T:

- Evacuate or travel.
- Bring children home from school or other family members from work. Schools will be advised of shelter-in-place and will also follow shelter-in-place procedures..
- Call 9-1-1 or any other authorities for information. Continue to listen to the radio for updates.
- Attempt to go through smoke or fumes to seek shelter.

Reminder: If you haven’t signed up for our notification system, use this link:

<https://member.everbridge.net/index/453003085611503>

Or, complete one of the sign-up sheets and drop it off at the Band office

If you have any problems, contact Wilson Plain Jr. at the Band office (519) 336-8410

We the Jackson family would like to take this opportunity to thank the community, at this difficult time. We thank all for their donations of food, the ladies who kindly gave their time for the lovely luncheon. For all the donations of flowers and kind words. For the ladies for giving their voices of song. The Minister Valerie Pitt for her kind words of prayer. We thank the pall bearers, we thank the home and community care program. We are truly grateful to Cheryl Evans for her wonderful support, love and kindness in the care she gave our dad.

Yours truly,

The Jackson Family

Congratulations Jayla Giorgi

The 2014/2015 Dance Year has been a huge success. Jayla's dance team had an awesome competitive season. The dance team qualified for nationals for both the Chicago and Detroit competitions.

Jayla was cast with Cirque du Soleil for the opening ceremonies of the Pan Am games. She will also be dancing with the Port Huron Nutcracker Ballet in December.

We would like to thank the Dreamcatcher Foundation for their generous support.

Lorrie and John Giorgi
