Information and Deadlines

* Regular Council Meetings - 1st & 3rd Monday of every month. If Monday falls on a statutory holiday the meeting is generally held the following day. Please note, that from time to time meetings may be cancelled or postponed.

* Deadline - Tuesday’s prior to the regularly scheduled meeting date, by 12:00 noon, for Band Manager review.

* Agenda Item Request Form is available at reception for the following locations: Administrative Complex (Band Office), E’Mino Bmaad-Zijig Gumig (Health Centre) & Maawn Doosh Gumig (Community Centre); and, on the Aamjiwnaang website.

* Your completed request form can be submitted in person or email, you may also wish to attach additional documentation and information to support your request (i.e. acceptance letters, budget, personal summary, etc.).

* Requests will be reviewed by June Simon, Band Manager, to ensure that the appropriate personnel/department have the opportunity to respond or resolve the request, prior to being placed on the Council agenda.

* The guidelines set out above are in place to ensure that the flow of information to and from the Council table is efficient, and that your matter is addressed and resolved in a timely manner.

If you have discussion items for Chief and Council on:

**Tuesday, September 3rd, 2019 by 5 PM**

Your information is due by:

**Tuesday, August 27th, 2019 by 3 PM**

Miigwech, for your co-operation and understanding.

NOTICE

TO MEMBERS OF AAMJIWNAANG
WHO ATTENDED INDIAN DAY SCHOOLS

RE: Indian Day School Class Action

Dear Members:

Chief Christopher Plain has been in contact with Gowling WLG (Canada) LLP. They are lawyers handling the class action suit with respect to the Indian Day School. “McLean v Canada is a Class Action lawsuit against the Canadian government for the abuses suffered by students who were forced to attend “Indian Day Schools” across Canada after 1920. This is the first national Class Action seeking compensation for Indian Day School students and their families.”

Gowling WLG has agreed to visit Aamjiwnaang for an information meeting. Chief Plain will be providing more information on this meeting as soon as it is available.

If you wish to register for this Class Action database, THE INDIAN DAY SCHOOL CLASS ACTION REGISTRATION FORM must be completed. The representatives from Gowling WLG, will be able to assist you in filling out the form.

Watch for updates on this important matter.

A flame burning at the top of a pipe stack can look alarming. Although the sight of flares and possible associated rumbling noise can cause concern, please remember that flaring is an important safety measure.

The flare stack is an integral part of the refinery; it is an important safety device and environmental control tool that keeps our facilities running safely. It is designed to safely burn flammable gases unable to be recovered for reuse within the refinery. Vapours are combined with steam and burned off, preventing them from being released directly to the atmosphere.

Additional flaring can occur during unit start-ups and shutdowns or during unplanned/unanticipated events, such as an unexpected power outage.

See flaring at the Shell site and want to find out what is going on? Call the Community Awareness Emergency Response (CAER) line at 1-855-472-7642 Shell’s Sarnia Manufacturing Centre hotline at 519-481-1245.

**OUR PROGRAMS**

**Rainy Day Fund**
The Rainy Day Fund provides emergency payments directly to the utility companies and landlords.

**Camp Scholarships**
Illness often isolates children from their friends and the activities they love. The Camp Scholarship Program allows children in remission to reconnect with those friends and activities. The program is offered for free, and provides funding for a camp of their choice; sports, music, art, science, horseback riding, water skiing or other activities they missed most during treatment.

**Rainy Day Gifts**
Our staff carefully hand pack each gift bundle for a child recipient, and it is our hope that this gift will offer some small comfort and relief from the struggles that child is facing.

**ADULT STRESS RELIEF CLASS – BUTTON JEWELRY**
Our 2nd Button Jewelry (bracelets) Class will be held on

**Thurs. Sept. 5 – 10 am – 12 pm at the Health Centre.**
All buttons & beads provided.

Anishinabek Education System

Why is it important to provide consent? What are the benefits?

Benefit to Students
- Individual student records will be accessible through the KEB and Ontario.
- Inclusive statistical data will consistently reflect on-reserve and off-reserve students.
- Fluid transition of records for students moving between provincial and Anishinabek education systems.

Benefit to AES Schools and Communities
- Supports the continued development and delivery of quality education programs and services in AES schools.
- Allows communities and schools to capture accurate educational statistics for on and off-reserve students.
- Enables educators to customize professional development and learning.

Benefit to AES/KEB and Ontario
- Assists in identifying needs and priorities of off-reserve AES students in the provincial school system.
- Aids in the development of Education Services Agreements between AES First Nations and Ontario District School Boards.
- Promotes educational research to support student success and well-being.
EDUCATION UPDATE for
ANISHINABEK EDUCATION SYSTEM (AES)
REGIONAL EDUCATION COUNCIL (REC) #4

June 2019

Boozhoo, Aamjiwnaang Members,

We have recently completed the first year of implementation as a Participating First Nation (PFN) in the self-government agreement for the AES. The following information is presented to the community to keep you updated on the activities that are being worked on by AES/KEB staff. Feel free to meet with our staff to answer questions you may have.

Annual General Meeting (AGM) for KEB

The Kinoomaadziwin Education Body is the board of directors responsible for overseeing the AES. An Annual General Meeting was held on June 10, 2019, at the Quattro Hotel in Sault Ste. Marie, ON. The AGM provide annual updates, a review of the 2018-2019 financial statements, a review of the 2019-2020 budget, and elections for the KEB Board of Directors, among other items.

Participating First Nations for REC#4:

Beausoleil, Chippewas of Rama, Mississaugas of Scugog, Chippewas of Georgina Island, Munsee-Deleware, and Aamjiwnaang

BOARD OF DIRECTOR ELECTIONS

There are three (3) board members for each of the regions. One Director from each REC retired this year, and four directors will be elected to these positions. The current Directors may be re-elected, or new candidates may be elected to the four positions. This year REC#1, motioned to increase their board representation to 4 board members.

Board members for REC #4

Vicki Ware, Aamjiwnaang, Evelyn Ball, Chippewas of Rama, and Greer Atkinson, Chippewas of Georgina Island.

CONFIRMATION OF REC REPRESENTATIVES

The REC Coordinators have been contacting each PFN to confirm the PFN Representatives who sit at the Regional Education Council. Each community is responsible for appointing 1 or 2 community representatives who sit at the Regional Education Council.

Aamjiwnaang Reps for the REC#4 – Janet Steadman and Andrea Grondin

KEB STAFF UPDATES

The position for Information & Data Management Officer will be filled soon. Some of the core responsibilities of this position include implementing the Student Information Management System (PowerSchool), establishing the Anishn Naa Gegii data collection process, and managing all other KEB data and information needs.

Postings for the Niigaan Gdzihaami Fund Coordinator and the Anishn Naa Gegii Coordinator will be ready for distribution as soon as possible.

COMMITTEE UPDATES

Data Research and Evaluation Committee (DREC)

The DREC membership have been working to finalize the Research and Evaluation Logic Model.
This model identifies the progress of relationships over the course of the three-year Multi-Year Action Plan. A final visual is expected to be approved in summer 2019. Other initiatives the committee continues to work on include the New School Registrations, the distribution of OENs, the distribution of AES consent form to PFNs.

**Special Education Committee (SEC)**

The Special Education Committee meets regularly to continue working on special education priorities. The work plan is currently being reviewed by the JMEAC, and the committee’s composition may undergo refinement pending JMEAC approvals. The KEB special education scans are in the process of being analyzed and a full report of the AES special education landscape will be available soon.

**Joint Master Education Agreement Committee (JMEAC)**

JMEAC continues to meet every other month. Its focus is ensuring the ongoing implementation of the Multi-Year Action Plan and overseeing the work plans of the other committees. JMEAC is currently conducting its annual review of committee work plans and preparing a quarterly report for the period January 1-March 31, 2019.

**POWERSCHOOL**

Progress continues the implementation of PowerSchool. Three communities are in the final stages of transitioning to the new student information system (Pic Mobert, Georgina Island and Aamjiwnaang). The remaining schools (13) will complete their transition at the end of June, which will alleviate the difficulty of transitioning during the active school year.

**LANGUAGE STRATEGY**

The AES language strategy is in development. An eight-pronged approach to the strategy will be reviewed with each REC and feedback will be collected. The regional reviews and feedback will help guide the development of the draft language strategy.

In April 2019, the KEB had the opportunity to meet with Maori language experts from New Zealand. The meeting was very informative and allowed the KEB to identify strengths and opportunities for the AES language strategy.

**EARLY DEVELOPMENT INSTRUMENT (EDI)**

Eleven AES schools with Kindergarten programs are currently working with the KEB and the Offord Centre for Child Studies, to complete the EDI implementation. Early Development Instrument questionnaires have been sent to each school, and teachers are now in the process of completing the surveys for their SK students. The EDI questionnaires will allow schools and the AES to assess the development of kindergarten students in five different areas of development. The results could assist in identifying, developing, and providing programs and services that target key areas of need.

**CONSENT FORMS**

The AES student information consent forms have been distributed to each PFN. Final packages were sent in the mail between March 27 and April 12. Communities are now preparing the packages for distribution to PFN students/parents both on-reserve and off-reserve. Door prize is a Fitbit.

Cannabis use is now legal for adults, but it does have health risks. If you use non-medically, you can make informed choices for safer use.

1. Delay using cannabis as late as possible in life, ideally not before adulthood.
2. Avoid using if you’re pregnant, or if you or family members have a history of psychosis or substance use problems.
3. Choose low-potency products — those with low THC and/or high CBD content.
4. Use cannabis in ways that don’t involve smoking — choose less risky methods of using like vaping or ingesting.
5. Stay away from synthetic cannabis products, such as K2 or Spice.
6. If you do smoke, avoid deep inhalation or breath-holding.
7. Occasional use, such as one day per week or less, is better than regular use.
8. Your actions add up. The more risks you take, the more likely you are to harm your health.
9. Don’t operate a vehicle or machinery while impaired by cannabis. Wait at least 6 hours after using. Remember that combining alcohol and cannabis makes you more impaired.
10. Not using cannabis at all is still the best way to protect your health (unless you use with a medical recommendation).

When using cannabis, be considerate of the health and safety concerns of those around you. Don’t hesitate to seek support from a health professional if you need help controlling your cannabis use, if you have withdrawal symptoms or if your use is affecting your life.
CANNABIS FACT SHEET

Cannabis (also called marijuana, weed and pot) is a drug that comes from a plant. There are different ways to use cannabis, which include, but are not limited to:
- Smoking as a cigarette (sometimes called a 'joint' or 'blunt'), or through a bong or pipe
- Vaping (through an e-cigarette or vaporizer)
- Mixed in with food and/or drink (effects may take up to 2 hours)
- Heated and ingested as oil, wax, or shatter, which is made from cannabis resin or hash

Cannabis contains THC, a chemical that causes psychoactive effects, a feeling of being “high”. It also contains CBD, which does not produce a high.

LONG TERM HEALTH EFFECTS

Long Term Health Effects – associated with prolonged and regular use:

**Risks to brain development if you start using before the age of 25, especially if THC content is high:**

- increased risk to mental health for long-term heavy consumers
- possible lung damage and infections associated with deep inhalation
- possible addiction (Health Canada estimates a 9% addiction rate)
- coughing and throat irritation from inhaling cannabis
- exposure to harmful second-hand smoke
- risk of harm to concentration, decision making ability, intelligence and memory

In Loving Memory of

Bertha Adams

To a loving person who left us way too soon. For a wife, mother, grandmother, and great-grand mother whose hugs, and kisses is one of the things we miss the most. To a person who put her family and community first. We will never forget, and we will always appreciate and respect you. In honor of your 10-year memorial, we will never lose sight of your vision and values you did for our community.

Love,

Your family
