NOTICE

At the Regular Council Meeting of November 4th, 2019, Aamjiwnaang Band Council passed a Band Council Resolution (BCR) authorizing a community vote on the Anishinabek Nation Governance Agreement. Council did not take a position on the Agreement but wanted to allow Aamjiwnaang Band Members the right to vote on this matter.

Aamjiwnaang then held a Community Information Meeting on Friday, January 24, 2020 on both the Anishinabek Governance and Fiscal Agreements. Presentations were provided by Anishinabek Nation officials as well as Aamjiwnaang legal counsel. Throughout the meeting and from the feedback of members, it was apparent that members did not wish to proceed with the ratification process because of the overwhelming response to not accept the Agreement as drafted.

At a Special Council Meeting held on January 27th, 2020, Aamjiwnaang Band Council passed a Band Council Resolution (BCR) to cancel the vote and rescind the initial BCR passed on November 4, 2019.

Aamjiwnaang Chief and Council would like to thank its members for their diligent work and persistence when it came to both learning about this agreement and sharing what they had learned with the community. We feel that this is very important when it comes to decisions being made in our community and we hope to see it continue moving forward with all initiatives in the future.

Miigwetch,
Chief and Council

Patient & Family Advisory Committee Expression of Interest Form

Have your say in a meaningful way - we are listening!

We're recruiting community members to serve on our Renal Program Patient & Family Advisory Committee. The Windsor Regional Hospital Renal Program oversees the delivery and quality of renal services for the areas of Windsor/Essex.

Your input will assist us in making lasting impact improvements for renal patients and their caregivers in the areas of prevention, screening, diagnosis, treatment, survivorship and transplant care.

Committee membership is comprised of patients and family members or care givers of renal patients, and Renal Program staff members. Membership includes representation from all areas of the Regional Renal Program.

The committee meets four (4) times per year.

Committee Members:

- Are required to attend 75% of the scheduled meetings per year. Teleconferencing is available for those unable to attend in person;
- Are appointed for but not limited to a two (2) year term;
- Have experienced kidney disease as a patient, family member or caregiver in the past;
- Have access to email and internet.

Committee Responsibilities:

- Bring the perspective and experience of renal patients and supporters to the planning of improvements to the delivery of renal care and services
- Review and provide feedback on patient satisfaction and/or patient focus group reports
- Assist in the identification of renal program care needs and gaps
- Provide input and recommendations to improve renal programs and services across the Windsor/Essex Renal Program

This is a volunteer position; parking costs are covered, and refreshments provided.

Thank you for your consideration. Your participation will help make a positive difference to renal patients and their caregivers!

To apply, please fill out
the attached **Patient & Family Advisory Committee Application**

ABOUT THE PROJECT

Your community leaders from **Aamjiwnaang First Nations** are excited about it and want to understand if the activities will help young children grow and learn in your region.

WHAT IS THE PROJECT?

With your permission, a staff member will meet with you and your child and will complete the **Ages and Stages Questionnaires (ASQ)**.

WHY SHOULD I PARTICIPATE?

- Your child will get a plan to support their growth and development
- Your community will learn more about the well-being of its youngest children and their families.

As a **thank you** for participating, you will receive a total of **\$50** worth of gift cards.

5 STEPS TO CONTROL ADDICTION

- 1. RECOGNIZE THE TRIGGERS**
If the triggers are stress or anxiety, find healthier and more effective ways of managing your moods, such as practicing relaxation techniques.
- 2. SOCIALIZE INSTEAD**
Socially interacting with another person face-to-face. Making eye contact, responding to body language, can make you feel calm.
- 3. BUILD YOUR COPING SKILLS**
Perhaps using substances is your way of coping with stress or anger. Or maybe you have trouble relating to others and find it easier to communicate with people while under the influence. Building skills in these areas will help you.
- 4. STRENGTHEN YOUR SUPPORT NETWORK**
Set aside dedicated time each week for friends and family, who support your goals.
- 5. JOIN US AT RECOVERY GROUP COMMUNITY THURSDAY EVENINGS 5-7 PM. SHARE & GROW. TOGETHER WE ARE STRONGER!!!**

From: Ian Forster, Community Relations Advisor

Subject: Plains Midstream Canada Open House

Plains Midstream Canada (PMC) believes the foundation of long-term and mutually beneficial relationships is built on trust and respect, which is achieved through clear communication, transparency of objectives and a shared sense of responsibility.

With this in mind, PMC is holding an open house for the residents of Aamjiwnaang First Nations on March 31, 2020, from 5 to 7 p.m. at the Maawn Doosh Gumig Community and Youth Centre. The open house will allow PMC to engage our stakeholders, neighbours and community members through open and honest communication based on respectful dialogue.

The key to this dialogue is a recognition that those affected by our business have a right to be informed about company activities, to be involved in issues and opportunities that affect them and to participate in an open engagement process.

Members of several PMC teams will attend, including asset integrity, operations, damage prevention, environment and community relations, to provide information and answer questions attendees may have about topics specific to PMC.

A meal and gifts will also be provided to attendees on behalf of PMC.

Details:
