Phone: 519-336-8410  
Fax: 519-336-0382

## **UPDATE NOTICE**

### **Attention Aamjiwnaang Band Members :**

**ALL Aamjiwnaang First Nations building closures will be extended until FURTHER NOTICE.**

As we move into Stage 2 and Ontario begins to slowly reopen businesses, services and public spaces through the Framework for Reopening our Province. We have established an advisory team to make recommendations based on this framework, to slowly lift restrictions in our community. This team will continue to meet and recommend, as changes are introduced.

In person community programming and events will be cancelled until further notice as well. We are advising against any large gatherings. With this being said, many programs and events have been modified to resume virtually to the best of their ability.

Employees are working from home as needed, checking emails and phones daily. Please visit our website to view our updated staff directory with work from home numbers included. If you require services, please contact the appropriate department for assistance.

Our primary concern is the health and welfare of the community, so we will continue to evaluate the situation and make decisions that are in the best interest of Aamjiwnaang. We encourage you

to review information available to make decisions for yourself and your family.

During this time we also encourage you to check in on loved ones and community members, whether it's a phone call, text, or facetime. It is important to keep in touch and be there for one another during times like this.

As this situation develops, we will continue to meet regularly and provide updates when necessary. During this time we encourage you to read and stay educated through information posted by the World Health Organization and Health Canada and the Ontario Ministry of Health.

If you develop symptoms, visit <https://www.ontario.ca/page/2019-novel-coronavirus> to take the self assessment or contact your primary care provider for screening and further instruction. If your symptoms are extremely severe, call 911. Residents of Aamjiwnaang can call 519-332-6770 ext. 305 for screening and testing.

Miigwetch,

Chief, Council, and Staff of Aamjiwnaang
