Employees are working from home as needed, checking emails and phones daily. Please visit our website to view our updated staff directory with work from home numbers included. If you require services, please contact the appropriate department for assistance.

Our primary concern is the health and welfare of the community, so we will continue to evaluate the situation and make decisions that are in the best interest of Aamjiwnaang. We encourage you

to review information available to make decisions for yourself and your family.

During this time we also encourage you to check in on loved ones and community members, whether it's a phone call, text, or facetime. It is important to keep in touch and be there for one another during times like this.

As this situation develops, we will continue to meet regularly and provide updates when necessary. During this time we encourage you to read and stay educated through information posted by the World Health Organization and Health Canada and the Ontario Ministry of Health.

Reopening of Programs and Services

GENERAL GUIDELINES

Gathering sizes are limited to 10 and distancing rules are in effect, unless otherwise indicated. Non-essential gatherings are strongly discouraged. We have established safe practices for staff when reporting to the office or required to meet with a client in-person.

Funerals and Weddings

Funerals and weddings will be permitted at the Community Centre and the Church as per the following:

- Number of guests will be limited to 50 people in the gym and outdoors. Number of guests in the church will be limited to 37.
- Receptions following a wedding or funeral are not allowed, as this is considered a non-essential social gathering
- No food will be allowed, as self-serve food is not considered safe
- There will be a 2-hour time limit, since risk increases with prolonged contact

A Funeral Home was also consulted in the development of these guidelines. Further, they suggested:

- Families invite attendees and do not publish information about the service
- Attendees wear a mask

Church Services

Church services will be limited 37 people, based on 30% capacity. Children's programs will not be allowed.

Outdoor Spaces

The following outdoor spaces may open, with gathering size and distancing rules in effect:

- Skate park
- Pavilion
- Ball diamonds – groups of 10 for practice only

The following outdoor spaces will remain closed:

- Playgrounds
- Splash pad – while permitted to open, it does not seem feasible to meet the requirement of sectioning off high touch surfaces, such as the play structures and slide

Health Services

- Outdoor fitness programs with up to 10 people, distancing and no shared equipment
- In-person essential visits: nursing, foot care, mental health and addictions

Dear Aamjiwnaang First Nation Members:

CANCELLED

NIIBIN GABESHIWIN 2020 AAMJIWNAANG SUMMER CAMP

We have made the difficult decision to cancel this year's summer camp. While the province has allowed summer camps to open, we do not feel it is possible to safely follow the strict guidelines necessary to help prevent the spread of COVID-19 amongst the campers. Watch the Tribe-Una and the Health Centre Facebook page for virtual activities for children and youth throughout the summer. We will miss you, but we'll see you next year!

AAMJIWNAANG FOOD BANK CLIENTS

The Food Bank is still closed as a precaution to help limit the spread of COVID-19. We are offering assistance to replace your use of the Food Bank. If we can help you, please contact Natalie at (519) 312-1600 (text or call) by Wed. July 8, 2020. We are following the Food Bank Policy, which covers on-reserve households, once per month.

MOSQUITO SURVEILLANCE & CATCH BASIN LARVICIDING TO BEGIN

We are working with St. Clair Region Conservation Authority and Department of Indigenous Services once again to reduce the mosquito population. Larvicidal treatments of the catch basins will continue throughout the summer.

Please remember to remove stagnant water around your home to eliminate potential mosquito breeding sites:

- Drain water from containers and toys that collect water, such as garbage cans, pool covers, flower pots, tires and tarps
- Change water in wading pools, birdbaths, and pet bowls twice a week
- Drain or drill holes in the bottom of containers so water does not collect

For most kids, summer is a time for freedom and fun, but for some children it can mean struggling with hunger. When school winds down for summer so do the breakfast and lunch programs that ensure those kids that live with food insecurity get the food they need.

The Inn of The Good Shepherd's child hunger reduction program, After the Bell: *Snack Packs*, provides kids experiencing food insecurity with packs of kid-friendly, kid-sized snacks & fresh fruit.

The packs will be handed out during Mobile Market. Please see the schedule provided inside this flyer for locations, dates and times.

O'Dehmin Giizis – Strawberry Moon

The strawberry is a symbol of forgiveness and peace. It serves as a reminder to let go of our judgements and differences with others.

The strawberry is like a heart and can be referred to as the heart berry.

Similar to a strawberry plant with its leaves, runners and roots connected to the berry, our hearts are connected to all parts of our body, mind, spirit, and emotions.

Do you want to advertise?

In March when everything was forced to close I felt it was prudent to pull advertising from the Tribe-une. Businesses were not permitted to be open and we were all learning about the virus and the precautions we would be asked to observe for the foreseeable future. Over the last few months we have been learning to live in this new world of 2 metre distancing and face masks, and we have begun to reopen.

Business advertisements in the Tribe-une will be resuming.

To submit please send information to:
editor@aamjiwnaang.ca

There is no guarantee your advertisement will run or that it will run indefinitely.
