BOAT LAUNCH NOTICE

Attention Aamjiwnaang Band Members:

Public Works will be changing the locks on the boat launch gate on **Monday July 20th**. New keys will be issued to water craft owners, seniors and disabled who cannot use the stairs. Community members are also reminded to not drive on the shoreline due to recent erosion and safety concerns. Another reminder that parking at the bottom of the hill is reserved for people launching boats, seniors and disabled. Keys will be issued out of the finance office at the Band Office.

Thank you for your understanding and cooperation in assuring safe and proper use of the boat launch.

Aamjiwnaang Band Council
