### **MEDICAL TRANSPORTATION NOTICE:**

#### **For clients accessing transportation to methadone/suboxone clinics**

Health Canada's policy states that all transportation to access methadone/suboxone needs to be reviewed every 6 months. We see this as an opportunity to connect clients with our Outreach Team, to share resources and support.

Starting November 1<sup>st</sup>, all medical transportation clients traveling to methadone/suboxone clinics, will need to meet with our Outreach Team. This includes clients claiming private mileage and those who use Medical Drivers.

**All existing clients need to book an appointment with the Outreach Team by October 30<sup>th</sup>.**

A member of the Outreach Team will be happy to help you:

Rhona Stewart (519) 332-6770 ext. 321

Kayla Joseph (519) 332-6770 ext. 328

## **FYI: New Information for Client Reimbursements from NIHB – Non-Insured Health Benefits (Indigenous Services Canada).**

These new features and services will help you in case you are wondering how to submit a claim for a reimbursement and what is going on with your claim if you are waiting for a reimbursement.

If you have any questions or need help setting up an account, you may call Peggy Rogers at Aamjiwnaang Health Centre, 519-332-6770, ext. 320 or email me at: [progers@aamjiwnaang.ca](mailto:progers@aamjiwnaang.ca). Please leave a detailed voicemail with your contact information. I check my voicemails and emails daily throughout the weekday. Also, I can still help you submit a claim manually to Client Reimbursements on your behalf. Miigwetch!

### **NIHB client web accounts**

- NIHB clients now have the option of creating a secure, web-based personal client account through the [Express Scripts Canada NIHB website](https://nihb.express-scripts.ca/NIHBProvider/home/en):  
<https://nihb.express-scripts.ca/NIHBProvider/home/en>
- By creating a secure NIHB client web account, clients can:
  - view their benefit claims history and status of pending requests
  - submit client reimbursement requests online
  - submit appeal requests online
  - receive NIHB communication directly by email
- To create a web account:
  - visit the [Express Scripts Canada NIHB website](https://nihb.express-scripts.ca/NIHBProvider/home/en):

Hello,

Employment and Social Development Canada and Service Canada would like to share important information with seniors who receive the Guaranteed Income Supplement, Allowance or Allowance for the Survivor benefit.

During the week of October 5, 2020, Service Canada sent reminder letters and Statement of Income forms to clients in receipt of these benefits whose income information for 2019 had not been received.

These individuals received a 'reminder kit' requesting completion and submission of the Statement of Income form. The reminder kit contains:

1. a reminder letter;
2. a Statement of Income form and instruction sheet; and,
3. a self-addressed return envelope.

Each year in July, an individual's ongoing entitlement to benefits is reviewed based on the most recent income information. Because of the pandemic, individuals who could not be assessed due to a lack of income information continued to receive payments and were notified by letter in July 2020 that income information must be provided. This special measure has ensured that clients who have not provided income information continue to receive their benefits uninterrupted; however this measure expires in December 2020.

Clients who have not yet submitted 2019 income information should do so as soon as possible. Clients who do not submit their income information will not receive the Guaranteed Income Supplement, Allowance or the Allowance for the Survivor in January 2021.

If community members or individuals within your network do not have access to the internet or face other barriers, the Service Canada Outreach Support Centre will ensure they get access to the critical benefits they need. Client can call the toll-free number **1-877-355-2657** TTY: 1-833-719-2657 from 8:30am to 4:00pm Monday to Friday.

Thank you,

**Spread the news:**

Please take a minute to ensure this message reaches as many seniors and the people who support them as possible. Please share it with your networks in whatever format works for you, such as social media, email or newsletter.

**REMEMBRANCE DAY**

Attention Aamjiwnaang Members:

It is with great sadness that we have decided to unfortunately cancel our 2020 Remembrance Day Ceremony due to COVID-19.

Our primary concern is the health and welfare of the community, so we will continue to evaluate the situation and make decisions that are in the best interest of Aamjiwnaang.

We encourage all members to take a moment on November 11 at 11:00 a.m. to stop, reflect and give thanks to all the men and women who have served, and those who have paid the ultimate sacrifice for our freedom.

Miigwetch,

Chief, Council, and Staff of Aamjiwnaang

## Celebrate Halloween Safely

# MNA JIIBAY DBIIKAD

### SAFE

#### Staying home with members of your household

- Have a virtual costume party.
- Have a Halloween Hunt - think Easter Egg Hunt, but Halloween treats. Hide them throughout your home for your children to find.
- Get some favourite treats and watch a spooky movie together.
- Decorate your home inside and out.

### USE CAUTION

#### If you are trick-or-treating

- Stay home if you're sick (even mild symptoms).
- Only trick-or-treat outside.
- Wear a mask at all times and use hand sanitizer often.
- Only go out with members of your household and stay two metres apart from everyone else.
- Avoid crowding (e.g. on sidewalks, at doors, chatting with other parents while waiting for children).
- Stay in your neighbourhood and go to fewer houses.
- Respect houses that signal they are not participating in trick-or-treating (e.g. their lights are off, they've posted a sign, etc.)

#### If you are handing out treats

- Do not hand out treats if you're sick (even mild symptoms).
- Wear a mask at all times and use hand sanitizer often.
- Do not hand treats directly to trick-or-treaters. Use an object to hand out treats so you maintain two metres distance. Get creative! Use a hockey stick, a witch's broom, or slide the treat down a tube.
- Consider placing individual treats outside (e.g. along your laneway, porch, front lawn, etc.) for trick-or-treaters to take without having to get too close to anyone else or touch other treats.
- Do not put out a bowl full of treats for trick-or-treaters to take from that requires them to touch multiple treats.
- Encourage trick-or-treaters to keep two metres apart from each other using markers on the ground. How about spacing pumpkins two metres apart or posting a spooky sign?
- If possible, avoid having trick-or-treaters come up to your door by staying outside. If not possible, sanitize high-touch surfaces like your doorbell frequently.

### UNSAFE

#### Gathering inside or coming into close contact with anyone who is not part of your household.

- Do not have in-person Halloween parties - take it virtual.
- Do not go outside or hand out treats if you're sick (even mild symptoms).
- Do not go trick-or-treating with anyone who is not part of your household.
- Do not gather with anyone outside of your household (e.g. on sidewalks, while walking, while waiting to get treats).

## Community Energy Champion Introduction

Hi Aamjiwnaang community! If you notice a new face poking around (perhaps handing out energy surveys), do not be alarmed as I am your new community energy champion. My name is **Hayl Gendron** and I will be working to support this community in the planning, implementation and evaluation of all energy related priorities beginning with the creation of a community energy plan. The purpose of this community energy plan (CEP) will be to help the community become more energy efficient. This will be accomplished through the introduction of energy saving incentives, as well as helping interested community members enroll in numerous energy saving programs which can really add up in monthly savings.

In order to get started on the community energy plan my first step will be distributing an energy survey to homeowners in the community. This survey will serve to collect your home's energy use data along with additional information about your home (i.e. age of house, condition of the home, energy use and areas of energy loss). The reason I am collecting this information is to use the data as a baseline study in order to understand the needs of the community and identify the best programs/opportunities to meet those needs. The survey (along with a follow up survey in the future) will also allow me to see if the programs/incentives that community members are taking part in are having the desired effect, both on the community and on the individual's homes and comfort.

If you are interested in energy saving programs and opportunities please reach out to me at [hgendron@aamjiwnaang.ca](mailto:hgendron@aamjiwnaang.ca), give me a call at 1-519-330-2955, or stop by and say hello at my office in the CIDL building at 510 Williams Drive. Additionally, as COVID has made it more difficult to make my way through the community for more personal interactions with the members I am working on a Facebook page for energy related opportunities and energy saving tips for the community. Keep an eye out in the future for an "Aamjiwnaang Community Energy Champion" Facebook page which should be popping up within a week's time and should have a link to it from the Aamjiwnaang community main Facebook page.

## Hello everyone!

My name is **Noelle Fisher** and I am currently covering for Emily Williams in the Aamjiwnaang Literacy & Basic Skills Program at the Resource Centre.

I am born and raised in Sarnia, and for the past 16 years I have been working in the Social Services field in our community. I have worked at Lambton College, the Sarnia-Lambton Children's Aid Society, the John Howard Society, the Goodwill Career Centre and most recently, the Organization for Literacy in Lambton (OLL).

When I am not working, I enjoy baking, reading and watching movies. I love all things Snoopy, home décor and vintage jewelry. In my world, there is nothing more important than compassion, kindness, a good book and a warm cup of coffee!

I look forward to meeting you all soon – either in-person or virtually!

Stay healthy and safe.

If your child's symptom persists, worsens, or if new symptoms develop, please follow guidance in options 1-3 above.

**NOTE:** **Other children in the household** may attend school/child care unless advised otherwise by Lambton Public Health. Children who are **sent home with symptoms** of COVID-19 should complete the Ontario COVID-19 School and Child Care Screening Tool for guidance on when to return to school/child care. Children who are informed they are a **close contact of someone who has tested positive** for COVID-19 must self-isolate, monitor for symptoms and follow direction from their Health Care Provider or Lambton Public Health. If you have recently **returned to Canada** you must self-isolate ([quarantine](#)) and stay home whether you have symptoms or not.

The Canada Emergency Response Benefit (CERB) was an important and necessary temporary response to support Canadians, providing up to 28 weeks of income support to those who had to stop working due to the global COVID-19 pandemic.

## TRANSITIONING TO THE EMPLOYMENT INSURANCE (EI) PROGRAM

### WHO IS ELIGIBLE

The majority of Canadians who received CERB through Service Canada, and who continue to report a need for financial assistance, will be automatically transitioned to EI regular benefits once their 28-weeks of CERB has been paid (or when the CERB payment period ends on October 3, 2020). Claimants will receive an email or a letter informing them that they have been automatically transitioned to EI.

In a few instances, some Canadians will need to re-apply for EI regular benefits to ensure Service Canada can confirm aspects of their application that were not previously required for the receipt of CERB. Claimants will receive an email or a letter providing instructions on how to apply. Applicants that have been or may be eligible for any other type of EI benefit will need to reapply.

Canadians who received CERB through the Canada Revenue Agency (CRA) and who continue to require financial assistance once the 28-weeks of CERB has been exhausted will need to reapply.

If applicants are found to be eligible to receive EI benefits, they should receive their first payment within 28 days of the date Service Canada receives their application and all required documents. If applicants are not entitled to receive EI benefits, Service Canada will contact them by letter or by telephone to provide the explanation.

## SUPPORTING ECONOMIC RECOVERY

Starting September 27, the following new temporary income supports will be introduced for Canadians as CERB winds down:

- **Canada Recovery Benefit** for workers who are self-employed or are not eligible for EI and still require income support if they still cannot resume or return to work.
  - Provides up to a maximum of 26 weeks of benefits;
  - Payment of \$500 per week;
  - Same core eligibility conditions as CERB (i.e., residency, age, income, job loss) and is attestation-based;
  - Workers will need to repay \$0.50 of every dollar earned above an annual net income of \$38,000 through their income tax return, up to the total of the Canada Recovery Benefit they received in a calendar year.
- **Canada Recovery Sickness Benefit** for workers who are ill or must self-isolate for reasons related to COVID-19.
  - Provides \$500 per week, for up to two weeks;
  - Both EI-eligible and non-eligible individuals could access the benefit;
  - Same core eligibility conditions as CERB (i.e., residency, age, income, job loss) and is attestation-based.
- **Canada Recovery Caregiving Benefit** for workers unable to work to care for a child, dependent or family member because schools, daycares or care facilities are closed due to COVID-19.
  - Provides \$500 per week for up to 26 weeks per household;
  - Both EI-eligible and non-eligible individuals could access the benefit;
  - Same core eligibility conditions as CERB (i.e., residency, age, income, job loss) and is attestation-based;
  - The benefit may be shared; however, only one member of a household at any time can receive the benefit.

## SERVICE CANADA CRITICAL SERVICES AND PROGRAMS

Canada.ca

FOR INDIVIDUALS DURING COVID-19<sup>1</sup>

1-800-O-Canada

Service Canada continues to provide critical services online and through our call centres during these extraordinary times, including a number of new virtual “e-services”. Please find additional information below.

### SERVICES AND PROGRAMS

#### E-ServiceCanada

Canadians can continue to access critical services for Employment Insurance, Canada Pension Plan, Old Age Security and Urgent Travel Needs Passport applications online by completing an online E-ServiceCanada request form. Clients who complete the request form will be contacted by telephone by a Citizen Services Officer within two (2) business days.

In addition, Service Canada has established a toll-free Outreach Support Centre. This service supports clients who do not have access to a computer, the internet, or have other barriers to accessing service. Service Canada has disseminated the toll-free contact number to Indigenous communities and service providers who work with vulnerable populations.

#### Canada Emergency Response Benefit (CERB)

CERB is available to individuals residing in Canada who meet the following eligibility requirements: are at least 15 years old; and received at least \$5,000 in 2019 or in the 12 months prior to the date of application; and expects to receive less than \$1,000 a month in employment or self-employment income for at least 14 consecutive days in the initial four-week period and for the subsequent benefit periods; and one of the following applies:

- Stopped working because of COVID-19 and have not voluntarily quit your job;
- Eligible for EI regular or sickness benefits;
- EI claim for regular benefits recently ended;
- Currently earning less than \$1,000 a month in employment or self-employment income;
- Seasonal worker who recently exhausted regular benefits and cannot resume usual seasonal work due to COVID-19.

For Canadians who have stopped working because of COVID-19, the Canada Emergency Response Benefit (CERB) may provide temporary income support. The CERB provides \$500 a week for up to 24 weeks.

#### Canada Emergency Response Benefit (CERB) for Self-Employed Workers

The CERB for Self-Employed Workers will provide a taxable benefit to self-employed workers who have lost their income due to COVID-19. It provides a payment of \$2,000 for a 4-week period (the same as \$500 a week) for up to 24 weeks.

## Employment Insurance (EI) Sickness Benefit Due to Quarantine

Service Canada is supporting Canadians affected by COVID-19 and placed in quarantine, with the following support actions:

- The one-week waiting period for Employment Insurance (EI) Sickness Benefit will be waived for new claimants who are quarantined so they can be paid for the first week of their claim
- Establishing a new dedicated toll-free phone number to support enquiries related to waiving the EI Sickness Benefit waiting period
- People claiming EI Sickness Benefit Due to Quarantine will not have to provide a medical certificate
- People who cannot complete their claim for EI Sickness Benefit Due to Quarantine may apply later and have their EI claim backdated to cover the period of delay.

#### KEB RETURN-TO-OFFICE

On September 8, 2020, the Kinooamaadziwin Education Body (KEB) anxiously re-opened its head office for the return of employees to the workplace. The office is now operating regular business hours, under modified health and safety instructions that meet provincial and federal labour requirements.

In May 2020, the KEB's Human Resources (HR) Committee was tasked with overseeing the return-to-work planning and preparations for the KEB. Over the next several weeks, the HR Committee and the management team consulted legal counsel and surveyed employees, in order to develop a comprehensive policy for Board approval.

Please be advised that the KEB is monitoring recent provincial changes, and will modify its operations as required. Some KEB employees continue to work from home at this time, but they can be reached by contacting the head office. For a list of KEB employee contact information, please visit: <http://aes-keb.com/contact-us/>

#### EXTRAORDINARY CIRCUMSTANCES AND FEDERAL FUNDING FOR COVID-19

The KEB hosted four virtual consultations between August 7-12, 2020. The Anishinabek Education System (AES) Participating First Nations (PFNs) were invited to attend one of the four meetings to share information on incurred education costs related to COVID-19, and costs anticipated for the 2020-2021 school year.

In follow-up to the consultations, the KEB distributed a comprehensive survey to the PFNs, to collect specific costs associated to COVID-19 impacts on education. The information collected from the consultations and the surveys will be used by the KEB to submit a proposal to Canada for additional PFN funding under the Extraordinary Circumstances clause of the Anishinabek Nation Education Agreement. This process is being supported by the KEB's lead negotiators, Tracey O'Donnell and Helen Bobiwash, as well as KEB staff.

At the time of the survey's closing on September 11, only eight PFN responses were received. The KEB is mindful of the importance of developing a comprehensive funding proposal that is representative of a majority of the AES. In order to support this, the KEB's Regional Education Council Coordinators will continue to connect with the PFNs, to collect an appropriate amount of data.

Meanwhile, the KEB is also working with federal partners from Indigenous Services Canada to confirm the AES allocations under Canada's [Safe Return to School Fund](#), which was announced on August 24, 2020. The KEB's preliminary discussions with Canada on September 22 only confirmed the total allocation for First Nations throughout Canada, and the total allocation for all education self-governing First Nations. The KEB anticipates a formal notice of AES allocations in early October.

#### KEB STAFF AND CONTRACTOR INTRODUCTIONS

On August 4, 2020, the KEB welcomed a knowledgeable contractor to its team of support. Bryon Brisard will be working with the KEB over the next year, to lead the work of specific projects and initiatives under the Master Education Agreement. Bryon brings with him many years of experience from his roles as a teacher, principal, First Nation Chief, and most recently as an Education Officer with the Ministry of Education.

In September, the KEB also engaged Darren Renaud as the organization's new Data Management Officer. Darren maintains an extensive portfolio in data management, organizational development, and quality assurance, which recently brought him back from contract engagements in Nunavut. In this position, Darren will be responsible for areas of work related to data and information, research, and evaluation for the AES.

**WELCOME TO THE NEW TEAM MEMBERS!**

#### IMPLEMENTING EFFECTIVE ORGANIZATIONAL CHANGE

Following the completion of the organizational and governance reviews of the KEB and the AES, a summary report was shared with the PFNs. The report offered 20 recommendations and more than 60 detailed activities that could be implemented to improve efficiencies in both KEB operations and AES governance.

The Board of Directors identified two organizational priorities in July, which include the engagement of a permanent Director of Education, and the development of a comprehensive compensation policy for the KEB. Each of these activities is in progress. On August 24th, the advertised posting for the Director of Education position was closed and the Board of Directors' hiring committee has completed application screenings and interviews.

In addition to these activities, the KEB's ad hoc Governance Committee established a work plan that will enable the implementation of several governance recommendations. These include:

- standardizing orientation and training for new KEB Board members;
- improving AES reporting templates and capacity-building supports; and
- enhancing communications between the Board of Directors and the PFNs.

Regular updates on the status of these activities will continue to be provided to the PFNs on a monthly basis.

#### 23 PFN GATHERING/ANNUAL GENERAL MEETING

The date for the AES's 23 Participating First Nations Gathering is confirmed and save-the-date notifications will be shared as soon as possible. This semi-annual gathering of the AES membership will also serve as the Annual General Meeting for the KEB, and the 2020 Board of Directors elections for four director positions. An agenda will be drafted and reviewed by the KEB Board of Directors and the KEB Chiefs Committee.

TUESDAY, NOVEMBER 17, 2020  
9AM-12PM  
VIRTUAL MEETING

#### AES CAPITAL NEEDS ASSESSMENT

The KEB will be engaging a professional consultant to conduct the AES Capital Needs Assessment, starting in fall 2020. A [Request for Proposals](#) was issued on September 18, 2020, and proposals will be accepted until October 13, 2020.

The assessment seeks to provide a report on the short, medium and long-term education capital needs of the AES, as well as the estimated costs associated to education capital needs. Over several months, the successful consultant will assess each PFN's requirements related to major capital, minor capital, and operations and maintenance. An announcement on the successful consultant, and next steps, will be shared with PFNs as they are confirmed.

#### 2019-2020 YEAR-END REPORTING

On August 5, 2020, the PFNs received the year-end reporting template for the 2019-2020 fiscal year. As part of the reporting requirements for the Anishinabek Nation Education Agreement, the KEB compiles the collective reports of the PFNs. This includes the year-end fiscal reports and education performance data for JK-grade 12.

Due to the impacts of COVID-19, the KEB extended the deadline for submitting year-end reports until **September 30, 2020**. If your First Nation requires any clarification or assistance to complete the year-end reports, please contact the KEB's Finance Manager, Claire Scanlan, at [claire.scanlan@a-e-s.ca](mailto:claire.scanlan@a-e-s.ca).

FACULTY OF  
EDUCATION

Aboriginal Teacher Education Program (ATEP)  
(community-based)

The community-based ATEP provides an opportunity to specialize in Indigenous education in a community setting and qualifies graduates for Ontario College of Teachers certification.

- ATEP is for Primary-Junior divisions (JK-Grade 6).
- Students attend a July session at Queen's University in Kingston and attend the rest of their classes at Kenjgewin Teg, the Mushkegowuk Territory site, or the Lambton-Kent site. Classes are held in the community over extended weekends each month.
- The program begins in May and runs over 6 terms (summer, fall, winter, fall, winter, summer)
- Especially suited to Aboriginal students interested in Aboriginal education, mature students and those with experience in Aboriginal education, those looking to expand their skills as Aboriginal language teachers, and those seeking to prepare themselves for teaching in a remote setting. Non-Aboriginal students are also encouraged to apply.
- ATEP can be entered with a high school diploma (Grade 12) or equivalent if you are of Aboriginal Ancestry or can be entered with an undergraduate degree. All candidates receive a Bachelor of Education.
- Courses are adapted to local contexts and needs, and include Aboriginal perspectives, balancing Aboriginal-specific and student-centered learning with knowledge of the teaching/learning process and research on Aboriginal education.

### SERVICES AND RESOURCES

- Four Directions Indigenous Student Centre is available on Queen's campus, as well as the ATEP Student Lounge and Resource Centre.
- Access to elders is available both on campus at Queen's and at Kenjgewin Teg, the Mushkegowuk Territory site, and the Lambton-Kent site.
- Staff are available during and between classes to provide administrative and student support.
- Various events are organized in partnership with Aboriginal organizations throughout the duration of the program.

### PRACTICA

- There are 18 weeks of practicum placements that may be completed in the candidate's home region First Nation schools and/or Provincial schools with a significant Aboriginal population.

### LEARN & EARN

- Candidates who are already teaching in a school setting may be eligible to complete practicum requirements while continuing to work in their positions.
- After successfully completing the first term (spring/summer one) of the program, candidates who are of Aboriginal Ancestry are eligible to apply for a Transitional Certificate of Qualification which allows candidates to work in a school board, gain valuable practical experience and complete their practicum while also earning an income.

## **NEWS RELEASE** For Immediate Release

### **Flu Shots More Important Than Ever This Year** Monday, October 19, 2020

**Point Edward, ON** - To keep Lambton strong, Lambton Public Health is asking residents to get their free influenza (flu) vaccine. Flu vaccines are available from various locations across the County, including your local pharmacy, health care provider and community clinics.

For those who have difficulty accessing the flu shot at their pharmacy or health care provider's office, Lambton Public Health will be offering several community clinics by appointment only. Starting tomorrow, Tuesday October 20th, you can book an appointment by phone or online by visiting [LambtonPublicHealth.ca/flu-shot](http://LambtonPublicHealth.ca/flu-shot).

The flu shot is recommended for individuals 6 months of age and older. Please note that pharmacists can provide vaccines to those 5 years of age and older. For those who are 65 years and older, there are two different flu shots available - standard-dose and high-dose. Both vaccines protect against the flu and the most important thing is for older adults to be vaccinated. Discuss your options with your healthcare provider.

"The flu vaccine is proven to reduce the number of doctor visits, hospitalizations, and deaths related to the flu. During a pandemic, it's important to reduce the strain on the health care system from other infections, so we have the capacity to respond to COVID-19," said Crystal Palleschi, supervisor with Lambton Public Health. Protect yourself and your circle by getting a seasonal flu shot; it's the safest and most effective way to prevent the spread of the flu.

Influenza spreads in a similar way to COVID-19: through coughing, sneezing, or touching infected surfaces. The flu usually lasts 2-7 days; sometimes longer in the elderly and those with health problems. The flu is a respiratory disease, which is not to be confused with a stomach illness that involves vomiting or diarrhea.

During this time of uncertainty, it is important to do everything we can to keep our community safe and protect our loved ones. Those who are more vulnerable to flu and COVID-related complications are:

- 65 years of age or older
- Under 5 years of age
- Have a chronic health condition
- Pregnant
- Living in a care facility

It is crucial for you to get your flu shot if you are in close contact with any of the groups listed above.

Flu season typically runs November to April when temperatures fall and people are in closer contact indoors. After getting the flu shot, it takes about two weeks for the vaccine to take effect and provide protection. The earlier you get vaccinated, the sooner you are protected.

To prevent the spread of both the flu and COVID-19:

- Clean your hands with soap and water, or alcohol-based hand sanitizer
- Cover your cough - use a tissue or sleeve
- Keep surfaces clean
- If you're sick, stay home

For information about influenza and where to access the free flu shot, visit [LambtonPublicHealth.ca/flu-shot](http://LambtonPublicHealth.ca/flu-shot), or call Lambton Public Health at 519-383-8331 or toll free 1-800-667-1839.

## COVID-19

### How is it affecting you and your academic plans?

As you enter your second month of study I am hoping that you are adjusting to the new normal. For most schools it means mostly online study and some in class study. I would recommend connecting with your First Nations Room at your school and ask how they are supporting students during this pandemic. Online learning can be difficult and so here are a few tips to help with this different learning strategy:

1. Get organized
2. Set up your workplace
3. Figure out how you learn best
4. Make a schedule
5. Be an active participant
6. Stay connected
7. Have an open mind
8. Ask questions
9. Hold your self accountable

For more information about this go to:

<https://www.northeastern.edu/bachelors-completion/news/successful-online-learning-strategies/>

Please connect with me if you need to discuss any changes to your program.

## Three Sisters Soup

### Ingredients

- 3 tablespoons butter
- 4 cups chicken or vegetable stock
- 1 cup onion, diced
- 1 clove garlic, minced
- 1 butternut or acorn squash, pre-baked and pureed
- 1 teaspoon curry powder
- ½ teaspoon salt
- ½ cup yellow corn kernels
- ¼ teaspoon ground coriander
- ½ cup hominy, cooked
- 1 cup white beans, cooked
- 1/8 teaspoon crushed red pepper

### Directions

Melt butter in a large saucepan over medium-high heat. Add onion and garlic, cook for 3 to 5 minutes or until tender. Stir in spices, cook for 1 minute. Add stock, corn, hominy, and beans, and bring to a boil. Reduce heat to low and cook, stirring occasionally, for 15-20 minutes to develop flavors. Stir in pureed squash, cook for 5 minutes or until heated through. Serve warm with chives and plain yogurt as a garnish.

We will send you a \$25 Grocery card for you to make 3 Sisters Soup. All you have to do is send a picture of you making the soup and or a video clip! Email Laura with your mailing address. [lspero@aamjiwnaang.ca](mailto:lspero@aamjiwnaang.ca)

## INDIGENOUS SCHOLARSHIP PROGRAM

We are pleased to advise that our firm is preparing a scholarship program for secondary school students to assist with payment of post-secondary education in the amount of \$1,000.00.

This scholarship program will be open to all Native Canadian/Indigenous students residing on the various reservations in Ontario who are presently enrolled full time in a secondary school program. There is a maximum of two (2) student applications from each school. The candidates for this scholarship must hold Native Canadian/Indigenous Status and be a secondary school student intending to begin university/college the following academic year.

The application process to be eligible for this scholarship includes the following

1. Full time registration and attendance in a secondary school program in the 2020-2021 academic year;
2. Native Canadian/Indigenous Status in accordance with the federal laws of Canada;
3. Proof of age (candidates must be 21 years of age or younger);
4. Copy of current academic transcripts and one year prior to application date;
5. Detailed listing of extra-curricular and community activities engaged in the year of the application;
6. Preparation of an essay to describe the academic future which the student wishes to engage and why the student believes that he/she should be considered for this scholarship; and
7. Written reference letter from a teacher/guidance counselor or principal of the secondary school at which the candidate attends.

The deadline to submit applications for this scholarship is **March 5, 2021**

We look forward to receipt of applications from you on behalf of the students residing in your vicinity with the above requirements.

Notification of the successful candidate will be provided by way of correspondence on or before **April 23, 2021**

Yours very truly,

Aanii Boozhoo Kina wiiya!

I would like to share with our community that the Aamjiwnaang Binoojiinyag Kino Maagewgamgoons Early Years Centre has been open to operate at full capacity since Thursday, September 24, 2020!

A month in and we are happily reunited learning the ins and outs of our "new normal" daily routines and learning environment!

I am so very proud, our children have adapted to the changes in the centre extremely well, such as:

- seeing the teachers in full PPE
- frequent hand washing
- individual sensory play
- personal supplies
- longer outdoor learning times and
- especially the drop off and pick up procedure!

Over the Pandemic closure, our building went through much-needed maintenance and renovations to ensure the safety and well-being of both the children and staff. We were extremely eager to share the new outdoor learning space with the children as we anticipated their excitement!

During our closure, our staff were providing an online classroom via Facebook Groups. We will continue to share in our online learning classroom for our families as a means of parental engagement, communication and continued support for those who choose to stay home a while longer.

It is so unfortunate the circumstances we are in, but I have witnessed so much cooperation and understanding to know, we are truly in this together and we will overcome the obstacles of COVID-19
