COVID-19 HOLIDAY NOTICE

Attention Aamjiwnaang Members:

With the Holiday Season in full effect, it is important that we follow and stay up to date on all public health measures put in place to prevent the spread of COVID-19.

These measures include;

- **Limiting all non-essential social activities**
- **Avoiding all non-essential travel**
- **Wearing a face covering when in a public space**
- **Wearing a face covering when you are less than 6 feet from someone you don't live with**
- **Limiting close contact to household members only**

We understand that this is usually a time of gathering and getting together with family and friends but it is important that we continue to be diligent and follow best practices. Our primary concern is the health and welfare of the community, so we will continue to evaluate the situation and make decisions that are in the best interest of Aamjiwnaang. We encourage you to review information available to make decisions for yourself and your family.

During this time, we also encourage you to check in on loved ones and community members, whether it's a phone call, text, or facetime. It is important to keep in touch and be there for one another during times like this.

Whether its dinner over zoom, opening present's over facetime, or socially distanced visits with loved ones, let's keep Aamjiwnaang safe this holiday season!

Miigwetch and happy holidays,

Chief, Council, and Staff of Aamjiwnaang
