COVID-19 VACCINE

Attention Aamjiwnaang Members :

Our staff are currently working with Lambton Public Health (LPH) to coordinate administration of the Moderna vaccine by LPH's mobile immunization team. As stated in Lambton Public Health's article, Indigenous Elder Care residents are included in Phase 1 of eligible groups to receive this vaccine.

This includes the 12 residents at our Senior's Complex, meaning they will have the opportunity to receive the vaccine in the next couple of weeks. We will continue to provide updates as information becomes available.

Miigwetch,

Chief, Council, and Staff of Aamjiwnaang
