OFF-ROAD VEHICLE NOTICE

After several concerns raised by community members, we would like to remind off-road vehicle operators to be mindful of other members of the community and follow the below restrictions.

- Limit activity to off-road use only.
- Access in the Bear Park/ Powwow grounds area will be strictly prohibited.
- Remain off the bike bath on River Road, which is permitted strictly for pedestrians and cyclists.
- Follow all locally posted speed limits, as well as all stop signs and other street signs.

We ask that you follow the above in the best interest of the community. We want to ensure there are no accidents or injuries when it comes to off-road vehicles in the community.
