

SKILLS DEVELOPMENT FUND

The Skills Development Fund supports projects that will help relieve pandemic-induced barriers to hiring, training & retaining workers.

LiUNA Local 1089 Training Centre is currently running a number of mentorship programs funded through the Government of Ontario. Our goal is to train and mentor applicants to get them ready for job placement in the construction industry.

Some of the skills and certificates you may acquire are:

Basic Safety

Working at Heights

Confined Space

Safety Watch

Fit Test

WHMIS

First Aid/CPR

Asbestos Abatement Worker

Surveying and Layout

Introduction to Finishing and Stamping

Forming Concrete Pads and Sidewalks

Stamping Concrete

Concrete Hand Tools

Construction Math

Forklift

Aerialift

Skidsteer

Chainsaw Safety

Propane

Cutting & Torching

Lockout/Tagout

The Skills Development Fund, together with LiUNA Local 1089 Training Centre, supports innovative, market-driven solutions that can help people and businesses make it through the pandemic successfully. These solutions may also lead to lasting improvements to employment and training in Ontario.
