Re: Aamjiwnaang Business Licencing Program

Dear Aamjiwnaang First Nation Members:

The letters presented at last night's Regular Council Meeting, in regards to the proposed business licensing law, have been acknowledged by Council and the deadline for the Business Licensing Program and the adoption of the "Aamjiwnaang Business Licensing Law" has been extended until further Community consultation can take place. While we wait for a time when restrictions will allow for us to safely gather, the letters and petition will be passed along to the Economic Development Committee for further review.

Chief and Council has heard the voice of the community and recognizes the need for further community consultation on this matter. With that being said, if you have any feedback, questions or comments on the proposed law, we encourage you to continue to send them by email to any of the following individuals from Aamjiwnaang's Economic Development Department:

- Carole Delion, Development Coordinator: cdelion@aamjiwnaang.ca
- Barb Urlacher, Special Projects Liaison Worker: burlacher@aamjiwnaang.ca
- James Wrightman, Economic Development Administrative Assistant: jwrightman@aamjiwnaang.ca

Respectfully,

Aamjiwnaang Chief and Council
