

## ONTARIO VACCINE PASSPORT

As of September 22, 2021, Ontarians will need to be fully vaccinated (two doses plus 14 days) and provide their proof of vaccination along with photo ID to access certain public settings and facilities. This approach focuses on higher-risk indoor public settings where face coverings cannot always be worn and includes:

- Restaurants and bars (excluding outdoor patios, as well as delivery and takeout);
- Nightclubs (including outdoor areas of the establishment);
- Meeting and event spaces, such as banquet halls and conference/convention centres;
- Facilities used for sports and fitness activities and personal fitness training, such as gyms, fitness and recreational facilities with the exception of youth recreational sport;
- Sporting events;
- Casinos, bingo halls and gaming establishments;
- Concerts, music festivals, theatres and cinemas;
- Strip clubs, bathhouses and sex clubs;
- Racing venues (e.g., horse racing).

***(Discussions on how the vaccine passport may impact access to services and events in Aamjiwnaang are underway. Information to follow.)***

These mandatory requirements would not apply to outdoor settings where the risk of transmission is lower, including patios, with the exception of outdoor nightclub spaces given the risk associated with the setting.

Individuals who cannot receive the vaccine due to medical exemptions will be permitted entry with a doctor's note until recognized medical exemptions can be integrated as part of a digital vaccine certificate. Children who are 11 years of age and younger and unable to be vaccinated will also be exempted from these requirements.

For the period between September 22 and October 12, 2021, it is intended that people attending wedding or funeral receptions at meeting or event spaces will be able to provide a negative rapid antigen COVID-19 test from no more than 48 hours before the event as an alternative to proof of vaccination.

### HOW TO GET PROOF OF YOUR VACCINE:

If you have a green photo OHIP card, you'll need to access this [covid-19.ontario.ca](https://covid-19.ontario.ca) to download or print your vaccination receipt. You'll also need to provide your date of birth and postal code. For those with a red-and-white health card, you will need to call the Provincial Vaccine Booking Line at 1-833-943-3900 to access your documents.

You can present either a printed copy or a copy on your phone. Eventually, Ontario will introduce a digital vaccine receipt with a scannable QR code for smartphones.

*(Aamjiwnaang members can also call the Health Centre for assistance at 519-332-6770)*
