VERSATILITY. EXPERTISE.

With these two words, Vertex makes the promise that we will always be versatile in developing solutions to our clients' unique needs and that we will always demonstrate expertise in our designated fields.

Since 1962, Vertex has been a leading North American provider of environmental services. With over 50 years of expertise, Vertex helps clients achieve their development goals through our versatile suite of services. From the initial site selection, consultation and regulatory approval, through the construction, operation and maintenance phases, to conclusion and environmental cleanup, Vertex offers a diverse range of services throughout the life cycle of our clients' projects.

OVERVIEW

Vertex is currently accepting applications for a Junior Environmental Scientist to join our growing team in Ontario. We are looking for a person with an Environmental Science background who enjoys Field Work, Reporting and coordinating project logistics. The successful candidate will be a driven individual with a willingness to work in the field as well as in the office.

RESPONSIBILITIES

- Execution of Environmental Site Assessments (Phase 1/2/3 ESA)
- Support on Soil Sampling programs under the Excess Soil Regulation
- Prepare various environmental reports
- Comparison of analytical data to Environmental Standards
- Collection and documentation of field data
- Keep up to date on industry guidelines

CANDIDATE QUALIFICATIONS

- Work Experience in Environmental Science or Civil Engineering
- Diploma or University Degree in Science, Engineering, or related field
- Strong time management and organizational skills
- Strong interpersonal skills
- Valid driver's license with a clean abstract

LOCATION

- This position will be based out of Sarnia, ON.

ADDITIONAL INFORMATION

- Compensation is commensurate with education and experience.
- A comprehensive benefit package is provided.

JUNIOR ENVIRONMENTAL SCIENTIST

APPLY NOW

With a track record of success, Vertex provides a fast-paced environment where people thrive. We recognize that each member brings a valuable skill set to the Vertex team and we make health, safety and community well-being a priority by supporting numerous endeavors at each of our locations across North America.

At Vertex, we value teamwork through collaboration and provide support across the entire organization. If you think you have what it takes to play for the Vertex team, please apply.
