Care for people with life-limiting illness Project Introduction

Aamjiwnaang First Nation received funding from First Nations and Inuit Home and Community Care Ontario (FNIHCC) to provide a space to care for their members who are living with a progressive, life-limiting illness. There is a total of 16 Ontario First Nations involved in this project.

This program aims to provide care to relieve suffering and improve quality of life for people from Aamjiwnaang living with a life-limiting illness, and their caregivers. Progressive, life-limiting illness such as cancer, heart failure, chronic obstructive pulmonary disease, and dementia can affect the quality and length of life. Aamjiwnaang, currently receives these services, from our Home and Community Care Program (HCC) and partners in our greater community. While we have received good service delivery from our HCC program and partners this project will endeavor to create a designated space or a floating bed in the community, for Aamjiwnaang. Part of the project will include defining, as well as perfecting our process for accessing service when needed.

Aamjiwnaang's Health Committee and Chief and Council have approved this project. The first phase will involve engaging the Aamjiwnaang Community and building relationships with current service providers. We will develop a 5-year plan for rolling out this program.

Aamjiwnaang's community voice will be the guiding principle of this project. We would love to hear from families who have had experience with palliative care and/or hospice and we will be reaching out to AFN members we know have had these experiences. Please watch for opportunities to participate and share your views.

Seniors Prescription Drug Coverage

When a senior in Ontario turns 65, their medications are automatically covered by a program call the Ontario Drug Benefit Program, This program charges a deductible (Client pays for the first \$100 towards their medications every year starting on August 1) and a co-payment (up to \$6.11 per prescription)

If you have status you do not have to pay the deductible or the co-payment. If you are charged a deductible or co-payment at the pharmacy, please provide them with your status card and those charges should be covered by the Non-Insured Health Benefits Program (Indigenous Services Canada). If you end up paying out of pocket, please contact Peggy at the Health Centre 519-332-6770 ext. 320

ATTENTION TO ALL MEDICAL DRIVERS!!!

Medical Travel slips are now due by Monday's at noon.

FYI—Ambulance Bills

If you have received an ambulance bill, please ensure that the hospital has your status card on file. If they do not have your status card on file, you will receive a bill for these services.

If you receive a bill for an ambulance, you can call the Patient Accounts Office at the hospital and submit your status card number to them. The Patient Accounts Office phone is listed at the top of your invoice.

The Patients Accounts Office will then submit your bill to NIHB (Indigenous Services Canada) for payment.

Re: Immunization Catch-Up and Reporting Reminder

Due to the COVID-19 pandemic, many students have missed their routine vaccines with their health care provider. Those in grades 7 to 9 may have also missed the opportunity to receive vaccinations normally offered in schools (Hepatitis B, Meningococcal, Human Papillomavirus (HPV)).

This letter serves as a reminder to **report** any immunizations already received and to **visit your health care provider** to obtain any routine vaccines that have been missed.

The **Immunization of School Pupils Act (ISPA)** requires parents to provide proof of immunization (or appropriate exemption documents) for the following diseases if their children attend school in Ontario.

- Diphtheria
- Tetanus
- Polio
- Measles
- Mumps
- Rubella
- Meningococcal Disease
- Pertussis (whooping cough)
- Varicella (chickenpox) for children born in 2010 or later

Other vaccines (e.g., Hepatitis B, HPV) are strongly recommended for those in grade 7 or above. For more information see Immunize.ca and HPVinfo.ca.

LPH will not be suspending students with out-of-date immunization records this school year (2021/22). To minimize the numbers of students overdue for vaccines when we do resume the suspension process, LPH is sending these letters to help parents and students know which vaccinations are required and remind you to report these to LPH.

You can report immunization records:

- Online through eHealth Ontario (preferred): www.GetTheVaccine.ca
- Take a picture/scan and email: immunization@county-lambton.on.ca
- Mail/drop off a copy: 160 Exmouth St. Point Edward, ON N7T 7Z6

If you have questions about your records or vaccine requirements call: 519-383-8331, toll free: 1-800-667-1839

If you do not have a health care provider or are having difficulty obtaining the required vaccines, you can visit our website to view catch-up clinic options: www.GetTheVaccine.ca.

Immunizations are also available at the Health Centre. Please call Gail at 519-332-6770 ext. 308 to book an appointment.

SOAHAC Nurse

Mikeesha Bressette

Aanii Boozhool! I am excited to be starting at the Aamjiwnaang Health Centre as the new SOAHAC nurse. I am a recent graduate of the Registered Practical Nursing program at Lambton College and I have recently left my position with the Good Doctors walk-in clinic in Samia to join SOAHAC. I am a proud member of Aamjiwnaang First Nation and it has always been a goal of mine to work within our community. I am a proud dog mom to two black labs and during my spare time I enjoy spending time with family and friends or being outside adventuring new places. I will be offering COVID-19 testing, STI education, immunizations and helping with other events/activities with the health centre. If you have any questions, please do not hesitate to reach out!

Marcin Bowling League

As most of you know Marcin will be open in September for league play. They reached out to ask if Aamjiwnaang would be putting in a league.

Due to medical issues I am unable to do the league this year. If anyone is interested in assuming those duties, give me a call and I will gladly help you get started.

If that isn't possible and you are interested in putting in a team or you just want to bowl on a team...

Dave Little 519-383-3309 has spots He bowled with us for a couple years before Covid.
