### Re: Immunization Catch-Up and Reporting Reminder

Due to the COVID-19 pandemic, many students have missed their routine vaccines with their health care provider. Those in grades 7 to 9 may have also missed the opportunity to receive vaccinations normally offered in schools (Hepatitis B, Meningococcal, Human Papillomavirus (HPV)).

This letter serves as a reminder to **report** any immunizations already received and to **visit your health care provider** to obtain any routine vaccines that have been missed.

The **Immunization of School Pupils Act (ISPA)** requires parents to provide proof of immunization (or appropriate exemption documents) for the following diseases if their children attend school in Ontario.

- Diphtheria
- Tetanus
- Polio
- Measles
- Mumps
- Rubella
- Meningococcal Disease
- Pertussis (whooping cough)
- Varicella (chickenpox) for children born in 2010 or later

Other vaccines (e.g., Hepatitis B, HPV) are strongly recommended for those in grade 7 or above. For more information see [Immunize.ca](http://Immunize.ca) and [HPVinfo.ca](http://HPVinfo.ca).

LPH will not be suspending students with out-of-date immunization records this school year (2021/22). To minimize the numbers of students overdue for vaccines when we do resume the suspension process, LPH is sending these letters to help parents and students know which vaccinations are required and remind you to report these to LPH.

#### You can report immunization records:

- Online through eHealth Ontario (preferred): [www.GetTheVaccine.ca](http://www.GetTheVaccine.ca)
- Take a picture/scan and email: [immunization@county-lambton.on.ca](mailto:immunization@county-lambton.on.ca)
- Mail/drop off a copy: 160 Exmouth St. Point Edward, ON N7T 7Z6

If you have questions about your records or vaccine requirements call: 519-383-8331, toll free: 1-800-667-1839

If you do not have a health care provider or are having difficulty obtaining the required vaccines, you can visit our website to view catch-up clinic options: [www.GetTheVaccine.ca](http://www.GetTheVaccine.ca).

**Immunizations are also available at the Health Centre. Please call Gail at 519-332-6770 ext. 308 to book an appointment.**
