BLUEWATER HEALTH INDIGENOUS SERVICES

The Health Committee was made aware that some members continue to report negative experiences at Bluewater Health. In response the Committee wrote a letter to the hospital board to advocate on behalf of our membership. Hospital staff have been directed to work with Indigenous partners to come up with a plan to ensure Indigenous people are treated with respect and have access to quality, culturally safe care.

Over the past few years, we have been working closely with Bluewater Health to help build their Indigenous Navigation Services. They now have three positions to help improve the hospital experience and support Indigenous patients:

1. Navigator – Nikki George
2. Transitions Facilitator – Doy Loulas
3. Substance Use Care Partner – Ashley Stone

Everyone who visits the hospital deserves to be treated with dignity and respect. If you have a concern or questions about your care, it is important to share your feedback as soon as possible. There are a number of options to help support you:

- Talk directly to your care provider or ask to speak with the unit manager
- Contact the Patient Experience Office:
 - By email: patientexperience@bluewaterhealth.ca
 - Phone: (519) 464-4400, ext. 8554

- Contact the Indigenous Patient Navigator:
 - Nikki George: (519)-464-4400, ext. 8815
 - <https://www.bluewaterhealth.ca/types-of-care/indigenous-navigation-services>
- Talk to someone at the Health Centre who can help advocate for you (519) 332-6770. Nurses Gail Nahmabin ext. 308 or Mikeesha Bressette ext. 309 would be happy to help you.
