○ General Carpenter	○ Steamfitter Apprenticeship
○ General Machinist	○ Web Design & Development
○ Hairstylist Apprenticeship	○ Welding Techniques
○ Information Technology Professional	○ Health Care
○ Social Worker	○ Early Childhood Education

REQUIREMENTS

- Applications must be fully completed; as incomplete applications will **NOT** be accepted.
- Application must be received by the specified deadline date to be considered for this bursary
- Attach a transcript from the 2022 – 2023 academic year
- Attach proof of enrollment/acceptance letter for chosen post-secondary institution
- Attach a letter explaining why you consider yourself a strong candidate to receive this award.
 - Applicants will be assessed based on clarity and content of this statement along with academic standing.

BURSARY

- Three bursaries are available in the amount of \$1200.00/each

Applications will be approved by the selection committee and will base its selection on the previous academic record of each student, as well as the student’s general character, personal motivation, determination and financial need.

***Note:** Chemical Production & Power Engineering Technology, Instrumentation & Control Engineering Technology and Mechanical Technician Maintenance do not qualify for this bursary, as there is a separate Shell bursary specific to those programs.
