NOTICE

Attention Aamjiwnaang Members;

Part B of the INEOS Styrolutions plan is set to commence on Tuesday, October 1st, which has the potential to produce high levels of benzene in the Band Office area. For such an event, we will be **closing all offices associated with Ada (Lockridge) Rogers and AFN Sportscenter from October 1st – October 4th, 2024**, which include:

- The Band Office
- Blue Building
- Environment Building
- Child & Family Services Building
- Education Administration Building
- CIDL
- Public Works

Staff will be working from home and will offer assistance to members as best as possible. Essential staff will be working out of the Community Centre to be able to provide assistance and services to members as some tasks are unable to be completed at home. We are asking members to still call the Band Office and to leave a voicemail as staff will receive it through their email and reach out to assist as best as possible.

We will continue to provide updates as they become available.

Miigwetch for your understanding and cooperation.
