THE HISTORY

Little Native Hockey League (Little NHL) tournament was started by five very special people who wanted to start a tournament for our First Nation Youth. These people were Earl Abotossaway, former Chief Jim McGregor, the late James D. Debassige, the late Reverend Leonard Self and the late Norman Debassige. Their collective dreams became a reality when they held their first tournament during the Christmas break in 1971.

It is a great honour for all to keep up the tradition of the Little NHL tournament started by these special individuals. The first tournament had 17 teams and a modest 200 players in Little Current. Today, in 2018, the tournament has grown to 209 teams and approximately 3000 players.

The City of Markham is the host city of the Little NHL..

Many First Nation communities have hosted the tournament over the 44 year history. Some of these First Nations include Aundeck Omni Kaning, Curve Lake, Dokis, Fort William, Garden River, M'Chigeeng, Nipissing, Sagamok, Saugeen, Six Nations, Walpole Island, Wausauksing, Wikwemikong, Whitefish Lake and Whitefish River.

Many of our former L'NHL'ers have gone on to various levels of Hockey excellence with "AA", "AAA", Tier II, Junior B, College/University, OHL and NHL level of play. The caliber of players gets better with each passing year, while the spirit and intent of the tournament created by the founders remains the same.

The tradition continues today with the four pillars of *Education, Citizenship, Sportsman and Respect*.

VISION

To allow our Ontario First Nation children an opportunity to play hockey and represent our Ontario First Nation communities.

MISSION

To lead, develop and promote a fun and positive hockey experience to provide our Ontario First Nation Youth an opportunity to be educated about the values of fair play and sportsmanship, both on and off the ice, including respect for all citizens attending the Little NHL.

LNHL

LITTLE NATIVE HOCKEY LEAGUE

PLEDGE

As a player of the Little NHL, I will show true **sportsmanship** and play with pride for my community;

As a parent of the Little NHL, I will model **respect** at all times throughout the tournament;

As a fan of the Little NHL, I will model nation-to-nation **citizenship** to honour all hockey players and fans;

And together, we will promote the importance of getting an **education** to build stronger nations.

*These four pillars...
sportsmanship, respect,
citizenship and education
will honour all people.*

COMMITMENT FEE TO REDUCE NO-SHOWS & LAST-MINUTE CANCELLATIONS

Please be advised that effective March 1, 2025 the Health Centre is implementing the Commitment Fee Policy that is currently used by Child and Family Services. This will help to reduce the number of no-shows and last-minute cancellations, which will cut down on wasted costs, and will open space for people on the wait list. This will only apply to no-shows and last-minute cancellations, who will be required to pay a small, refundable deposit (\$10-\$20) when registering for the next two events. This will be explained when signing up for applicable events. Miigwech for your understanding.

Attention!

The Membership Office will be providing services to walk-ins (no appointment necessary) on every Wednesday.

Mondays, Tuesdays, Thursdays, and Fridays will be by appointment only.

Call the Band Office at 519-336-8410 or email cadams@aamjiwnaang.ca to book an appointment.

Reclaiming Health, Honouring Traditions

March 19 & 20, 2025

Best Western Plus, Sarnia

The Indigenous Communities Advisory Council and the **Sarnia-Lambton OHT (S-L OHT)** are inviting the Indigenous community members within the Sarnia-Lambton service reach to a Two Day Symposium. The primary objective of the Symposium is to bring Indigenous Community members and healthcare providers together, to learn about traditional healing methods as we continue on the journey of truth and reconciliation, building an understanding of how traditional healing and modern medicine can complement holistic health.

Registration is complimentary for the First Nation community members and service providers as well as health service providers in Sarnia Lambton.

What You Can Expect: Breakfast, lunch and two breaks, interactive and engaging presentations, opportunity to meet with traditional healers & attend amazing sessions.

What You Should Know: Unfortunately, the Symposium Hosts are unable to provide travel support for attendees. We have negotiated an amazing group rate at the Best Western - \$139./night. To book your room call: 1-519-337-7577

Wisdom Weavers – traditional healers and knowledge keepers sharing our stories of health and well being and songs. Meet, mingle and connect with the healers.

Dr. Bernice Downey is an Anishinaabe-kwe (Indigenous woman) of mixed Ojibway-Saulteaux/Celtic ancestry. She is a former Bachelor of Science prepared nurse and medical anthropologist. She is currently cross-appointed with the Department of Psychiatry and Neuro-Behavioural Sciences & the School of Nursing in the Faculty of Health Science at McMaster University.

Diane Hill (Katsitsawaks) is a member of the Bear clan of the Mohawk Nation situated in the Grand River Territory of the Six Nations. For 10 years, Diane worked both as an independent consultant and healer. She is the founder and operator of "Atetshensera" – a Mohawk word meaning "A Healing Place", located on the Six Nations of the Grand River Territory in Ontario. Diane has written several articles related to traditional Aboriginal practices of counselling and healing. She is an extraordinary speaker and healer.

Phil Davis is a Haudenosaunee man who is a talented traditional singer and drummer but also co-founder of an Ol' Child, a blues/rock/funk/jazz band. When he is not busy performing, Phil works within the Indigenous Justice system. Phil will be delivering a plenary presentation on the Power of Music.

SEXUALLY TRANSMITTED INFECTIONS (STIs)

What are STIs?

Sexually transmitted infections (STIs) are caused by bacteria, viruses, or parasites. They are mainly spread by sexual contact, or contact with genitals or bodily fluids. A sexually transmitted infection may pass from person to person in blood, semen, or vaginal and other bodily fluids. STIs don't always cause symptoms. Some STIs cause no symptoms or only mild symptoms. Even with no symptoms, STIs can still spread to others. Getting tested is the only way to be sure if you have an STI.

CHLAMYDIA & GONORRHEA

Chlamydia and gonorrhea are 2 common bacterial STIs. Common symptoms of both chlamydia and gonorrhea include:

- Burning during urination
- Unusual discharge
- Painful or swollen testicles
- Bleeding between periods

TRICHOMONIASIS

Trichomoniasis is a common STI caused by the parasite *Trichomonas vaginalis*. Common symptoms include:

- Genital itching/burning
- Discharge with bad odour
- Pain and/or bleeding during sex

GENITAL HERPES

Genital herpes is an STI that spreads easily. It's caused by a type of the herpes simplex virus (HSV). The virus enters the body through small breaks in the skin or mucous membranes. Most people with HSV never know they have it. General herpes symptoms includes:

- Itchy/painful bumps/fluid-filled blisters on genitals, buttocks, or other areas

HEPATITIS

Hepatitis A, B, & C are all contagious infections that affect the liver. Common symptoms of hepatitis includes:

- Flu-like symptoms
- Nausea/vomiting
- Abdominal pain
- Dark urine/clay-coloured stools
- Jaundice (yellowing of the skin)

HIV/AIDS

HIV is an infection with the human immunodeficiency virus. HIV interferes with the body's ability to fight off viruses, bacteria, and fungi that cause illness. Without treatment, it also can lead to AIDS, a chronic, life-threatening disease.

Some early symptoms of HIV includes:

- Flu-like symptoms (fever, chills, sore throat)
- Fatigue
- Rash

HPV

Human papillomavirus, or HPV infection is one of the most common types of STIs. Some forms of HPV greatly raise the risk of cervical cancer. Some forms of HPV cause genital warts.

Symptoms of genital warts include:

- A small bump or group of bumps in the genital area
- Itching or discomfort in the genital area
- Bleeding with sex

SYPHILIS

Syphilis affects the genitals, skin, mouth, and anus. It can also involve many other parts of the body including the brain and heart. The symptoms of syphilis may occur in different stages, and differ based on stage. Some symptoms include:

- Sores, skin rash, fever, swollen lymph nodes

HOW TO PROTECT YOURSELF

- **Practice safer sex:** there are many easy and effective ways to protect yourself from STIs, starting with the use of condoms (either male or female), or dental dams for protection during oral sex - Aamjiwnaang Health Centre provides free condoms!
- **Get tested:** if you've had sex without a condom, including oral sex, see your health care provider or go to a sexual health clinic to get tested
- **Vaccination:** vaccines can help prevent Hepatitis and HPV infections passed through sexual activity
- **Limit your number of sexual partners:** you can lower your risk of STIs by limiting the number of people you or your partner are having sex with
- **Consider abstinence:** the surest way to prevent STIs is to not have sex, or abstinence

ANISHINAABE LODGE

UPDATES & REMINDERS

- Always take garbage and belongings with you when you are finished your session. There are garbages located just outside the lodge entrance.
- Solar lights have been installed on the interior of the lodge. You can manually turn the lights on or off using the remotes located in the plastic bag beside the entrance door. If the lights will not turn on, they likely did not receive enough sunlight during the day.

ACCEPTABLE USES:

- Community Events
