AAMJIWNAANG EDUCATION DEPARTMENT

Welcome back

Boozhoo/Aanii,

My name is Rylee Crowe, and I am excited to be returning to the Aamjiwnaang Education Department as an Administrative Assistant after spending the past year on maternity leave with my second son.

I am a proud mom of two boys and have always enjoyed supporting others and building meaningful connections within our community. In my role, I look forward to assisting our team, helping create positive experiences for our learners and families, and continuing to grow both personally and professionally.

Outside of work, you can usually find me spending time with my boys, enjoying the outdoors, and making memories with family and friends.

I am grateful to be back and look forward to reconnecting with everyone.

Migwech,

Rylee Crowe

Meet our Summer Student

HEALTH PROMOTION
TEAM

Jaxson Aviles

Hi everyone! My name is Jaxson, and I am the new Health Promotion Assistant for the summer. I am excited to be joining the team and helping support community health.

I have a strong interest in fitness, health, and staying active, which is one of the reasons I was drawn to this role. Outside of work, I enjoy going to the gym, golfing, and playing the drums.

I am looking forward to learning new things, contributing to the team, and getting to know everyone over the summer!

Summer Student Housing Assistant

Boozhoo! Hello everyone, my name is Ryan and I am the summer student for the housing department this summer.

I'm 19 years old and I'm currently attending Fanshawe for Music Industry Arts. From September to April I'm living in London, so it's refreshing to be back home and working for the summer and it's especially nice to have some home-cooked meals for a couple of months before school starts up again. I hope everyone is having a fantastic summer so far, and continues to do so. Go outside, hangout with friends, and do things that make you happy!

And be sure that you're keeping up with your home maintenance while it's still beautiful. I'm going to be sharing a few summer maintenance tips and reminders for us forgetful people. Please make sure you're being safe, and don't be afraid to ask a neighbor, friend, (or your kids) to lend a hand if you feel you can't do the task yourself!

Summer Home Maintenance Tips

Cleaning & Dusting,

Cleaning and dusting can both help in keeping your home tidy and presentable, as well as preventing possible future health-hazards. Regularly dusting your house will reduce allergy and asthma symptoms, dusting is also proven to reduce stress and lower cortisol from lowering the amount of visual stimuli.

Check Windows and Door Locks,

Making sure your windows and doors are functioning properly is crucial for maintaining a comfortable temperature inside and keeping unwanted critters outside!

Check for Mold,

Locating possible mold growth before it becomes a big problem is key to maintaining a healthy home. Look for mold in places such as; your kitchen, bathroom, laundry room, and basement, as these are the most common places for mold to grow.

Check Drainage, Gutters, and Downspouts,

A often overlooked part of home maintenance, is making sure your drains aren't blasting water into your homes foundation. Making sure your drains are clear from various debris, and are facing in the correct direction for your home.

LEARNING & GROWING TOGETHER

Sir John Moore Educators

I would like to express my sincere gratitude to the educators here at Sir John Moore who have and continue to take time to learn about Anishinaabe culture, history, and ways of knowing. Your willingness to listen, learn, participate and grown demonstrate a genuine commitment to support Indigenous students and helping them feel seen, valued and represented within our school. By embracing opportunities to learn about Anishinaabe teachings and perspectives, you are helping to move our culture forward in a positive way. You are contributing to the preservation and sharing of knowledge, traditions and values that are important to our communities and future generations.

Meaningful reconciliation and understanding happen when people from different backgrounds come together with respect, open minds, and a desire to learn from one another. When we celebrate each other's cultures, we create stronger relationships, build more inclusive learning environments, and foster a sense of belonging for everyone.

When we honour and celebrate one another's culture, we are not only preserving our own initiatives, but we are also building bridges, understanding, respect and unity for future generations. Together, we move forward in a good way.

Migwech for being allies, advocates, and partners in this journey. Your efforts make a difference in the lives of Indigenous students and help create a future where diverse cultures are respected, celebrated and strengthened together.

Education Support Worker, Leanne Williams

Chi-Migwech to Pam Plain for providing the teachings as well as assisting with the materials and sewing of the ribbon skirts and vests. Chenoa Plain was a helper with sewing and Amanda and Jordan provided delicious treats for each session.

This opportunity was available through Nipigon Gahwaam Fund that is available to participating First Nation communities of the Anishinaabe Education System

Notice: Catch Basin Larviciding

Annual catch basin larviciding will begin soon. These treatments are done to help control the mosquito population to reduce the incidence of West Nile Virus.

Pestalto Environmental Health Services Inc. will conduct larval surveillance and apply larvicide in catch basins.

Residents can also help reduce the mosquito population by:

- Removing stagnant water around your property
- Keeping eaves clear of debris
- Draining water from containers or toys

Community Booklets for Shelter-in-Place and Evacuation Policy

What is the Community booklet:

The booklet was created to give community members the information they need if a shelter-in-place or evacuation is issued for either a particular zone, or the entire community. The front page identifies your **ZONE**. It also contains critical information for emergencies affecting Aamjiwnaang.

Why is the booklet needed:

The booklet provides essential information for what you need to do in the event of a shelter-in-place or evacuation order is issued. The booklet also provides details about what you need to do if shelter-in-place or evacuation order is issued. Any such order will be issued using the **Aamjiwnaang Notification System**. If you are not registered for the notification system, please contact Norman Joseph at (519) 336-8410 Ext. 243, (519) 918-5416 or njoseph@aamjiwnaang.ca

How the Community booklet came about:

It was recognized by the Aamjiwnaang Emergency Control Group and Chief & Council that community members need information for shelter-in-place and evacuation procedures as noted in the Emergency Response Plan.

NOTE

Please keep your booklet in a safe place that is accessible in an emergency, so that you may reference it if a Shelter in Place or Evacuation has been issued. It is recommended that the information contained in the booklet be reviewed by everyone in your household.

The safety and well-being of community members during an emergency is everyone's responsibility.

larvicide

/larv'isid/

A larvicide is a type of insecticide specifically formulated to target and kill the immature, aquatic life stage (larvae) of insects, such as mosquitoes, before they can mature into biting adults. [Centers for Disease Control and Prevention](#). <1>

TOP 10 TICK HIDING SPOTS ON YOUR BODY

Tick checks are one of the ways you can prevent Lyme disease and other infections spread by ticks. Check your entire body, especially:

WHAT TO LOOK FOR?
Feel for bumps and look for tiny dark spots. Look carefully, most ticks are very small!

Found a tick?
Remove it immediately to reduce the risk of infection.

Canada.ca/LymeDisease

Government of Canada / Gouvernement du Canada

ENJOY THE OUTDOORS, WITHOUT A TICK

Lyme disease is spread by the bite of infected blacklegged ticks. These ticks are often found in and near areas with trees, shrubs, tall grass or piles of leaves.

Follow these tips when heading outside:

PREVENT

- 01 Wear light coloured long-sleeved shirts and pants.
Tuck your shirt into your pants, and your pants into your socks.
Wear closed-toe shoes.
Use bug spray with DEET or Icaridin (always follow label directions).
Walk on cleared paths or walkways.
You can also wear permethrin-treated clothing, now available in Canada (always follow label directions).

CHECK

- 02 Shower or bathe as soon as possible after being outdoors.
Do a daily full-body tick check on yourself, your children, your pets and your gear.
Put your clothes in a dryer on high heat for at least 10 minutes.

TAKE ACTION

- 03 Use clean fine-point tweezers to immediately remove attached ticks by slowly pulling them straight out. Try not to twist or squeeze the tick.
Wash the bite area with soap and water or alcohol-based sanitizer.
Keep the tick in a closed container and bring it with you if you go see your health care provider.
Contact your health care provider if you're not feeling well or if you are concerned after being bitten by a tick.

FYI - Health Benefits under Indigenous Services Canada

The Non-Insured Health Benefits Program (NIHB) - (Indigenous Services

Canada) is a National Program administered
by Health Canada providing coverage for:

Dental, Drugs, Medical Supplies & Equipment,
Medical Transportation, Vision Care, and
Short-Term Crisis Intervention Mental Health
Counselling.

Client Questions? - contact the NIHB client
information line at: 1-800-640-0642

Using your Benefits: When you present your
status card to any health provider, as if they
bill directly to NIHB before obtaining the
service. Ensure the health care provider
verifies that the product/treatment is an
eligible benefit listed on NIHB

Be Aware: If you are asked to pay upfront, it
can take 6-8 weeks to be reimbursed, and you
may not get reimbursed if the benefit was not
pre-approved. You may want to seek out a
provider that does bill directly to NIHB. The
Drug or product may be an exception benefit
requiring the provider to call the Drug
Exception Centre at 1-800-580-0950

Benefits Outside of Canada: You must
purchase travel health insurance if you travel
outside of Canada. If you are a migrant
worker or a full time student working or
studying outside of Canada, call NIHB to ask
about coverage at 1-800-640-0642 More
information can be found at <https://www.sac-isc.gc.ca/eng>

Reimbursements: Mail your reimbursement
form along with your original receipts and a
copy of your prescription to;

**IF YOU DO NOT HAVE THE
MANDATORY IDENTIFICATION TO
OBTAIN A STATUS CARD,
PLEASE CALL: 1-800-567-9604**

- Advise the call centre representative that you want to obtain a Temporary Confirmation of Registration Document (TCRD).
- They will ask a series of questions to confirm your identity and then mail a Temporary Confirmation of Registration Document (TCRD) to you.
- This document will state your registration number and can be used in place of a Status Card to access benefits and services.

Youth, Adult & Seniors Recreation Funds

Chief and Council along with the Community Services Committee have developed a new Funding Policy to help our youth with their Sports, Arts and Recreational activities.

Youth up to the age of 25 years can fill out an application with the maximum funding being **\$800/CA per fiscal year**.

Seniors who have reached the age of 60 years (and above) can fill out an application with the maximum funding being **\$800/CA per fiscal year**.

Adults between the age of 26 and 59 years can fill out an application with the maximum funding being **\$300/CA per fiscal year**.

These maximums will take into consideration LNHL reimbursement and any other recreational funding

This is a reimbursement program so receipts must be submitted with your applications. Deadline to submit applications is Thursday @ noon

Applications can be picked up at the Community Centre or Band Office. For more information please contact the Community Centre – 519-491-2160

Seniors, Adult and Youth applications are to be submitted by Thursday at noon
